

EECS 203
Homework 4
Due Jan. 31, 2002

Read Rosen Sections 1.3 through 1.6

- page 54: 10, 16, 18, 28b
- page 67: 10, 12, 14ad, 20. Hints for 20: Look at the answer to 19 to see the kind of reasoning that goes on in a problem of this type. First, of course, you need to try examples to see if the statement is true or not.
