*To help me make any needed "mid-course corrections":*

- 1a. What do you like about lecture? What am I doing right?
  
- 1b. What don't you like about lecture? What am I doing wrong?
  
- 2a. What do you like about the laboratory?
  
- 2b. What don't you like about the laboratory?
  
- 3a. What do you like about the text?
  
- 3b. What don't you like about the text? (other than typos)
  
- 4a. What do you like about the problem sets and exams?
  
- 4b. What don't you like about the problem sets and exams?
  
5. What should be done to improve things during the second half?
