EECS 481 Software Engineering
Peer Evaluation

Due: in hardcopy in Dr. Chesney's office (4221 EECS) by 5pm, 20FE04 (slip under door)

Team: (e.g., Red or Blue)_____

Group: (e.g., UI or networking)_____

Group Responsibilities:

- A Peer Evaluation is _required_ from each group for full credit on the project.
- Evaluate the contribution to this partition of the project made by each group member.
- Each team member should be assigned a percentage, and the sum must equal 100%.
- A majority of the team must agree to the weighting and _all_ members must sign.
- Feel free to use the back of the page, or add pages, for comments.

Member #1:   Name_____   Contribution:_____

            Signature_____

Member #2:   Name_____   Contribution:_____

            Signature_____

Member #3:   Name_____   Contribution:_____

            Signature_____
