

EECS 486 Object Oriented Methodology Winter 2003

Group Evaluation

Due: in class on the day of your presentation (either 13 or 14FE03).

Team: _____

Evaluate the contribution to the project made by each member of your team. Each team member should be assigned a percentage, and the sum must equal 100%. A majority of the team must agree to the weighting. All members must sign. Feel free to use the back of the page, or add pages, for comments.

Member #1: Name _____ Contribution: _____

Signature _____

Member #2: Name _____ Contribution: _____
