Is EECS in Your Future?

Curious about where an EECS
undergraduate degree can take you?

Would you like to hear from EECS graduates about
their academic and professional careers?

Want to see into your Future?

Join us for the...

EECS Career Mentor Panel

Panelists include:

- Mark Abel, General Manager of Intel's Software and Solutions Group
- Rob Malan, CTO/Co-founder of Arbor Networks
- Steven Schwartz, Managing Partner of Inovo Technologies and EECS Alumni Society President
- David McCubbrey, VP/CTO at Pixel Velocity

Thursday, November 15, 5:00 pm

(Q&A and Informal Networking Reception to follow)

1670 CSE Building
