

EECS 470 Lab Check-Off Sheet

Due on Gradescope the Friday following each lab

This worksheet is your deliverable for the lab assignment. Finish the lab assignment, then talk to an instructor during lab or office hours to get the check-off and submit it on Gradescope. In Gradescope we will only be checking the signature, not the answers.

Feel free to download this worksheet from the website if you want to work on it with a tablet.

Lab 1 — Done on worksheet

Lab 2

Lab 3

Lab 4

Lab 5
