EECS 486 Object Oriented Software Development
Fall 2001

Group Evaluation

Due: in class on the day of your presentation (either 15OC01 or 19OC01).

Team:_____

Evaluate the contribution to the project made by each member of your team. Each team member should be assigned a percentage, and the sum must equal 100%. A majority of the team must agree to the weighting. All members must sign. Feel free to use the back of the page, or add pages, for comments.

Member #1: Name_____   Contribution:_____

Member #2: Name_____   Contribution:_____

Member #3: Name_____   Contribution:_____

Member #4: Name_____   Contribution:_____
