***Either but not both.**

Note: The 4 courses selected for the Qualifying Exam 1 exam must be EE:S courses, either 4 courses in the major or 3 in the major and 1 in the minor. If the student is pursuing a minor in an area of study outside Systems, he/she must be examined on 4 Systems courses in the major area of study.

A student may elect other courses having significant content relevant to the major area or the student's area of research. Permission to take such courses must be obtained from the EE:S Graduate Chair based upon the recommendation of the student's academic advisor.
