

Test Equipment Technology Seminar
with
Hands-On Instruction Provided:

[Register Now >](#)

Join Keysight and TestEquity for our Test Equipment Technology Seminar with hands-on instruction provided.

We will have everything from multi-meters, LCR meters, power supplies, DAQs, oscilloscopes, portable spectrum analyzers, and portable vector network analyzers on hand. Product demos lead by experienced application engineers and hands-on instruction provided at the multiple product stations on hand.

Door prizes will be drawn every hour on the hour. However, you must be registered to be eligible for the grand prize.

Sincerely,
Blake Goodwin
Field Sales Engineer
