University of La Plata: Gift

The Regents accepted a gift of a bronze tablet from the University of La Plata to The University of Michigan, memorializing the visit of Domingo Faustino Sarmiento to The University of Michigan June 23, 1868, at which time the Regents awarded him the LL.D. degree (*R.P.*, 1864–69, p. 273). The following letter received from Dr. Enrique M.

Sarba, Dean of the Faculty of Humanities and Science of Education of the National University of La Plata, was read:

Dr. Marvin L. Niehuss
Administration Building
University of Michigan
Ann Arbor, Michigan, U.S.A.

WITH MY GREAT RESPECT:

In my capacity as Dean of the Faculty of Humanities and Science of Education of the National University of La Plata, I have the honor to address the Honorable Vice-President for the purpose of conveying to him the sincere appreciation of this academic institution for the graceful reception accorded to our Professor Gustava F. J. Cirigliano with the mission of delivering the plaque memorializing the honorary doctorate degree which your University conferred on Domingo Faustino Sarmiento.

I take advantage of the opportunity to express to you the desire that the cultural friendship of our universities will be more firmly sealed by this, in part, because this is one of the great dreams of that illustrious Argentinian Faustino Sarmiento.

In reiterating to you the expression of my high regard, I request that you convey my respects to Dr. Harlan Hatcher, eminent President of The University of Michigan.

DR. ENRIQUE M. SARBA, *Dean*

The Regents gratefully accepted the tablet and ordered that it be prominently placed in Alumni Memorial Hall.
