No. 80 ANN ARBOR, MICHIGAN, SUNDAY, JANUARY 19, 1913. PRICE FIVE CENTS

HEAVY VOTE IS CAST IN ELECTION

Milligan, Carpenter, Haller and Fletcher are New Athletic Association Officers.

1,345 BALLOTS IS LARGEST IN ASSOCIATION'S HISTORY.

Annual Report of Treasurer Shows Net Balance of $7,297.02.

ELECTION RESULTS.

For Football Manager:—
Morris A. Milligan, '14.
For Interscholastic Manager:—
H. Beach Carpenter, '14.
For Secretary:—
Louis Haller, '13-'14L.
For Treasurer:—
Albert C. Fletcher, '14E.

Polling the heaviest vote in the history of the University of Michigan athletic association, Morris A. Milligan, '14, was yesterday elected manager of the 1913 Varsity football team over Prescott G. Brown, '13E, by a plurality of 513. Milligan received 929 votes while Brown polled 416. The total of 1,345 votes represents the heaviest vote in the history of student elections in the athletic association.

In the election of interscholastic manager, H. Beach Carpenter, '14, defeated Fred H. Dye, '14L, by the heaviest plurality of the day—919. Carpenter received 1,060 votes against 253 for Dye. Louis Haller, '13-'14L, was successful in the race for secretary of the association, defeating Renville Wheat, '14, by a vote of 951 to 373. Albert C. Fletcher, '14E, carried off the honors for the treasurer's position when he polled 736 votes against 293 for Russell A. Yerrington, '14E, and 234 for T. F. McCoy, '14L.

Voting in the election commenced shortly after the polls were opened at 9:00 o'clock and though the inclement weather conditions indicated a light vote, the officials in charge of the election were surprised by the large number of men who turned out during the earlier hours of voting. Later in the morning the weather cleared up considerably and when the polls closed at 1:00 o'clock the voting during the last two hours had been exceedingly brisk.

Meeting of Athletic Association.

The annual meeting of the athletic association was held at 3:00 o'clock in University Hall, when the results of the election were made known to a small number of members, and the annual report of the treasurer for the fiscal year just closed was read. Be-

(Continued on page 6.)

FORM DRAMATIC CLUB FOR WOMEN

To simplify the production of plays and to assist in their preservation, an organization has been formed among the women of the university to correspond to the Mimes of the Michigan Union.

For a number of years junior plays of excellent merit have been produced, but there has been no way in which they could be kept for reference, or the personnel of the cast be kept in mind. The proposed organization will handle both of these difficulties, and reduce the work of the junior and senior play committee each year. In line with the idea of an organization is the scheme to preserve the junior play manuscripts, with notes, faculty criticisms, etc., and photographs, in the library.

That these plays have merit of a literary nature is attested to by the fact that the Chicago College League, has recently selected the last year's play by Eva Hanks and Louise Conklin, for reproduction. This is the first time that a Michigan production has been chosen for presentation by the league.

THE WEATHER MAN

Forecast for Ann Arbor—Local snow and much colder. Brisk and high winds west and northwest winds.

University Observatory—Saturday 7:00 p. m., temperature 25.5; maximum temperature 42.0; minimum temperature 25.5; average wind velocity 9 miles per hour.

DIXIE CLUB PLANS TO GET MORE MEN FROM THE SOUTH

At the meeting of the Dixie club last night, plans were formed to get every southerner interested in the club. A committee was appointed consisting of J. H. Roper, '14E; A. T. Rickets, '15E; F. L. Marshall, '16, to canvass all students and faculty men from the south and try to induce them to attend the next smoker which will be held in the latter part of February. Including the new men who joined last night the club has over 50 members. Plans are being considered for getting more men from the south to come to Michigan.

WILL PRESENT MAY FESTIVAL IN AUDITORIUM

Twentieth Anniversary to be Celebrated by Passing From University Hall to the New Hill Edifice.

PROGRAM CONTAINS MANY OLD ANN ARBOR FAVORITES.

There Will be Five Concerts, as in Past Years, Given on May 14, 15, 16 and 17.

The annual May festival of music will celebrate its twentieth anniversary this year by passing from its 19 years in University Hall to the splendid setting of the Hill auditorium. The nearing completion of the structure reminds one that the month of May and the festival are not so far in the future. Plans for the programs, the artists, and the seating arrangements are already taking definite and final shape.

Remembering the huge audiences of the past few years, it is evident that the enormous seating capacity of the new auditorium will not be any too large to care for the increased attendance. The May festival this year promises to be the biggest that has ever been held. As in past years there will be five concerts, on the four days, May 14, 15, 16, and 17.

The Theodore Thomas Orchestra of Chicago, under Mr. Stock, will again furnish the chief instrumental part of the festival. The choral union of 500 voices will be supplemented for this occasion by a chorus of several children's voices. The choruses have been hard at work all the winter, and Mr. Stanley is greatly pleased with the results obtained. The festival will introduce a new choral composition by Mr. Stanley, which has just been completed, and as yet remains a secret. The other works chosen are Verdi's "Requiem," the first act of "Lohengrin," and the finale of the "Meistersinger."

The list of artists engaged includes some old Ann Arbor favorites, as well as several distinguished singers who have never been heard here. First among them all comes Schumann-Heink, the most loved of all favorites. Then there is Florence Hinkle, who sang here last year; Mme. Marie Rappold, soprano of the Metropolitan opera company; Rosalie Wirthlin, contralto; Lambert Murphy, a Metropolitan tenor; Putnam Griswold and Pasquale Amato, both baritones of the Metropolitan, and Henry Scott, bass, also of that company. Such an assembly of famous artists places the festival in the front rank of the music events of the country.

The advance seat sale will start, as usual, in March, and will be conducted on the same scale of prices and in much the same manner as in former years.

EMINENT FRENCH CRITIC TO SPEAK

M. Firmin Roz Will Deliver Public Lecture on "The Theater of Today."

IS ACTIVE IN LITERARY WORK.

Opportunity to hear one of the most distinguished French authors and critics will be offered the university in the visit of M. Firmin Roz next Thursday. M. Roz is engaged by the university, and the lecture is free to the public. It will be given at 8:00 o'clock on Thursday evening, January 23, at Sarah Caswell Angell hall. The subject will be "The Theater of Today, and Its Relation to Contemporary Life."

It would be impossible to mention all of the accomplishments of M. Roz, or all of the distinctions which have been heaped upon him. For many years an educator, he has more recently devoted all of his time to literary work. He is a collaborator in several of the leading French reviews, and has been for some years dramatic critic of the "Revue Bleue." He is a profound student of American and English life and literature; he has translated Emerson, Hardy, and George Moore, and has written studies of Tennyson and of modern English novelists.

These facts make his visit to America and his lectures here of prime significance. From among a dozen very interesting subjects, the lecture of Mr. Roz on the modern drama was chosen as most interesting to his audience here.

SOPH LITS TO HOLD DINNER AT UNION TOMORROW NIGHT

Soph lits will dine at the Union tomorrow night at 6:30 o'clock. Jack Watkins, acting as toastmaster, will call on Prof. J. A. C. Hildner, of the German department, Frank Murphy, '14L, and Harold Kennedy, manager of the class basketball team for short talks. Several other members of the class will give musical numbers.

The program will be concluded in ample time for those who have other engagements for the evening. Tickets which are selling rapidly, should be arranged for by calling Lang, 343, as the Union must be notified by this evening as to the number expected.

Will Pick Opera Poster Monday.

Because of the absence from the city of Librarian Theodore W. Koch, one of the judges in the Union opera poster contest, the drawings submitted in the competition were not passed upon last week. Mr. Koch will be in town today, however, and the board of judges will meet tomorrow to pick the lucky one from among 13 entries.

Craig Soon to Have Running Mate.

Ralph Craig, '11, formerly Michigan's star on the track and Olympic point winner is soon to become a benedict. The announcement of his engagement to Miss Elizabeth Spies, of Montclair, N. J., was recently made in Detroit.

Alpha Nu Chooses New Officers.

The Alpha Nu society last night elected the following officers for the next semester: president, J. L. Primrose, '13; vice-president, G. A. Andrews, '13; secretary, E. W. McFarland, '13; treasurer, L. M. Sprague, '14; syble editor, J. M. Barrett, '16.

Adelphi Elects New Officers.

The Adelphi society elected officers for next semester last night as follows: president, Edwin J. Rosenberg, '13; vice-president, Werner W. Schroeder, '14; secretary, Floyd L. Young, '14; treasurer, Louis E. Porter, '15; sergeant-at-arms, Harry G. Gault, '16.

DEATH AT LASL TAKES M. JUDY

Senior Medic Yesterday Succumbs to an Attack of Blood Poisoning.

WAS RANKED AS GOOD STUDENT.

Martin Judy, '13M, interne in the university hospitals, died early yesterday morning from an attack of blood-poisoning from which he had been suffering for several weeks. Judy became ill shortly before Christmas vacation, and blood-poisoning resulted. It is not known as to how he became infected with the germ. His condition gradually grew worse until all hope for recovery was given up.

His parents were notified soon after he became ill, and his mother and brother came from California to take care of him. They were with him constantly until he died.

Judy was graduated from the high school at Easton, California with the class of 1904. Entering the university in the fall of 1907, he would have been graduated with the present senior class. He was a member of Phi Chi fraternity.

Professors and classmates regarded him as one of the best men in his class. All seemed to think that of those who will graduate this spring, he had the brightest prospects of any of the class.

The remains will be sent this morning to his home in Antioch, California, for burial.

T. P. HICKEY, OF KALAMAZOO, SPEAKS AT UNION TODAY.

T. Paul Hickey, member of the faculty of the Western State Normal of Kalamazoo, will be the principal speaker at the Union today. The program will begin promptly at 3:00 o'clock and will consist of a mandocello and banjo duet by Theodore M. Wood and William M. Connelly, and a banjo solo by E. C. Ferguson.

Helen Magee Gives Address in Lansing

Helen Magee, '14, of the Lyceum club, will give an address this afternoon in Lansing on "Domestic Partnership" before Mr. H. R. Pattengill's class of the First Baptist Church. Miss Magee is one of the five representatives from the Lyceum club that have spoken there this winter.

Second Semester Schedule to be Posted

The schedule of courses offered in the law department during next semester will be posted Tuesday. All elections must be made before the end of the week.

HAVE WIRELESS NEWS SERVICE.

May Communicate With O. S. U. by Daily Messages.

Daily wireless communications between Ohio State and the local wireless plant will be established soon if present plans materialize. Attempts have been made in the past to communicate regularly with the Ohio State plant, but on account of the weakness of their apparatus, it has been impossible to receive messages. As their plant has been improved, another test will be made Wednesday and if successful will lead to a daily exchange of news between the two universities.

Fresh Lits Hold Successful Party.

Fresh lits to the number of 200 gathered at Barbour gymnasium yesterday afternoon for the second party of the year. The efforts of the social committee to have an equal number of men and women in attendance were successful, and every "laddie" had a "lassie." The party was chaperoned by Dean and Mrs. John R. Effinger, Prof. M. P. Tilley, Mr. F. G. Tompkins and Dean Myra B. Jordan.

Presbyterian Church

Leonard A. Barrett, Minister J. Leslie French Student Pastor

10:30 Address by Mr. Barrett. Heredity, a Natural Law, viewed from a Spiritual World.

12.00 University Classes for Men and Women.

6:30 C. E. Meeting. Leader, Allison.

SENIORS ARE VERY BASHFUL.

Near Graduates Won't Vote for Prettiest Girl and Others.

In spite of the fact that the boxes have been placed in the corridors of the main buildings to solicit the biographies as well as votes for the "class pets" on the slips provided for that purpose by the Michiganensian, reports have it that few seniors have responded. From the senior lits only 50 slips have been turned in, and of these only 25 have been voted upon as requested.

During yesterday's elections the boxes were called in, but they will be placed again Monday in the usual places.

"It is the duty of all seniors to aid in the compiling of the year book," said Editor Stanley Newhall of the Michiganensian, "and in doing this it is only fair that they should not balk because we ask them who is the most popular man, or the biggest bluffer. I earnestly hope that votes will be cast promptly and as requested, so that copy may be turned in as early as possible. It will insure better results."

GOV. HADLEY WILL SPEAK HERE TUESDAY

Noted Missourian to Give Address in University Hall on "The College Man In Politics."

HIS RISE HAS BEEN RAPID IN THE POLITICAL FIELD.

Is Recognized as a Powerful Orator and Campaigner With Magnetic Personality.

Governor Herbert S. Hadley, of Missouri, will speak on "The College Man in Politics" in University Hall Tuesday evening. Being a college man who has created a name for himself in the political field the subject is one upon which he is peculiarly qualified to talk.

The rise of this man in politics was as brilliant as it was rapid. Attracting national attention to himself by his activity in the corporate and vice prosecutions in St. Louis, he was appointed Attorney General. His vigorous fight against the Standard Oil Co., and the harvester and insurance trusts added to his prestige, and he was elected governor of his state by a large majority.

In the recent political upheaval Gov. Hadley allied himself with the Progressive party, acting as floor leader for the Roosevelt faction in the memorable Chicago convention. Although a professed "Bull Moose," Hadley was the only compromise candidate acceptable to the administrative forces in that convention.

As a speaker he has the grace of the orator and the vigor of the campaigner combined with a magnetic personality. He is not unknown to Michigan as an accomplished speaker, for he was a member of the Northwestern University debating team which defeated Michigan at Evanston in 1895.

Junior Women Lunch at Union.

Junior women, to the number of 70, held the first of a series of luncheons at the Michigan Union yesterday. Marguerite Irving acted as toastmistress and short talks were given by Selma Leopold, Irene Bigalke, Jesse Cameron, Dean Myra B. Jordan, and Helen Brandebury. Phyllis Dunn gave a vocal selection. The program was followed by dancing.

Prof. Gleason to go to South America.

Asst. Prof Gleason of the botanical department, who was granted a leave of absence by the regents at their meeting Friday, will spend next year in research work in Europe and Australia. Since the holidays he has been studying South American and West Indian iron weeds at the New York botanical garden. He will remain there until the opening of the second semester when he will resume his classes.

TEACHERS TO MEET HERE NEXT FALL

Michigan State Association Decides to Hold Its Annual Meeting in Ann Arbor on Oct. 30 and 31.

THREE BALLOTS NECESSARY TO DECIDE UPON CHOICE.

Prof. Davis Predicts That Big Success Will be Attained and Will Benefit University.

After months of debate, and a city wide canvass for accommodations, the Michigan State Teachers' association has definitely decided to hold its next meeting in Ann Arbor on October 30 and 31, 1913. The question was settled at a meeting of the executive committee of the association in Kalamazoo yesterday.

Seven of the eight members of the committee were present, and after much debate and discussion, the first ballot showed three votes for Ann Arbor, three for Kalamazoo and one for Detroit. The prevailing sentiment indicated that Ann Arbor was regarded as the best place to hold the meeting, but a number of objections were made against bringing the association here.

It was said that the location of the accommodations promised was too far from the center of the proposed activities and that the teachers would be obliged to spend too much time in walking back and forth. The interest of the majority of the university professors in the meeting of the association was also questioned. The increased traveling facilities between Ann Arbor, Ypsilanti, and Detroit, promised by the Michigan Central railroad and the D. U. R. did not seem to be stated in convincing language, and some members of the executive board doubted if they would be given.

When these facts were refuted by the local representatives, another ballot was taken, Ann Arbor gained one

(Continued on page 6.)

And Still They "Trip the Etc."

Forgetting that the exam bug-a-boo was within easy crawling distance, 100 couples assembled at the Michigan Union last evening for the regular weekly assembly.

Prof. Eggert to Speak to Verein.

Prof. C. E. Eggert, of the German department, will address the men's section of the Deutscher Verein at 8:00 o'clock tomorrow night on "Herrorragender Deutsche-Americaner." There will also be a short musical program.

WESTERNERS FOUND NEW FRATERNITY

Kappa Beta Psi, a new national fraternity has been formed on the campus, the membership of which will be drawn entirely from men of the far western states. Formal announcement of the reorganization was made at the Rocky Mountain club dance at the Packard academy last night.

The Rocky Mountain club has been reorganized as a sectional club since 1902. The large numbers of westerners now attending Michigan has made it impossible for the club to fill the broader function it formerly did as a social organization for all men from that part of the country.

For several years the club has worked with the present step in view, and January 8 the new fraternity was incorporated at Lansing. The change was favorably acted upon by the faculty before the holidays, but the official announcement was postponed until the dance last night. The faculty members of the Alpha chapter are: Prof. Filibert Roth, of the forestry department; Prof. C. T. Johnston, of the engineering department; and Asst. Prof. L. H. Cone, of the chemistry department.
