SQUAD STILL NEEDS MORE BOX ARTISTS

In Spite of the Appearance of Four More Pitchers Hurling Staff Looks Weak.

COACH RICKEY WILL MAKE FIRST CUT IN SQUAD MONDAY

Cut Only Applies Till Players Can Start Work in the Open.

After a thorough search of the campus and surrounding territory, four more pitchers were discovered and led into the cage at Waterman gym, making now a total of nine twirlers who are straightening out the winter's kinks. Incidentally, a few infielders and a larger number of outfielders followed the captured hurlers into the cage until the squad now numbers 82, and it is freely predicted it will go to 100 before the end of the week, making one of the largest squads in years.

While in the mood of making records Coach Rickey has decided to break another and so has announced that the first cut will take place Monday when the temporary axe will fall on many unsuspecting heads. It is a temporary cut because it applies only until the squad gets out in the open when the slaughtered may return to the battle for a job. The reason for the early cut is that the cage at the gym is so small and the squad so large that the men cannot be handled with any degree of facility. When 100 men are packed into a small cage and then three separate batting practices are started there is grave danger that some body is going to get "beaned" and hence the cut. About 14 men have already been picked to escape the cut and Rickey has not yet announced just how many will fall.

Incidentally the practice is being made more or less of a lecture course in that each day has a subject, assigned in advance, and this subject is not only discussed but practiced. The assignment sheet has been posted for the next three weeks and according to orders, every man is supposed to get that assignment. But even with this handicap of an apparent relationship to college, the squad still continues to grow.

COUNCIL MEMBERS MAY HEAR DISCUSSION ON CONFERENCE.

Prof. E. Holbrook and Judge Murfin Will be Asked to Address Body.

In order that members of the student council may become better informed on the conference question, Prof. Evans Holbrook, faculty member, and Judge James Murfin of Detroit alumni member of the board in control of athletics, will be invited to discuss the present athletic situation with the council at a special meeting to be held in the near future.

The council desires to go on record in regard to the conference question, but before doing so wishes to be adequately informed as to both sides of the question. This project was decided at a special meeting of the council held last night in the Oratorical room.

No definite report was made by the band committee. However, this report will be ready in a few days and from present indications the campus will hear Varsity band recitals again this spring.

Councilman Wilson told the council that the Union is contemplating securing new chairs for the dining room, which it is hoped members of the Union and different societies will donate. He suggested that the council donate some of these chairs either individually or as a body.

Lit-Engineer Social Club Hold Party.

The Lit-Engineer social club will hold its party on Thursday night, March 6, at Granger's.

THE WEATHER MAN

Forecast for Ann Arbor—Wednesday, fair

University Observatory—Tuesday, 7:00 p. m., temperature 16.2; maximum temperature 24 hours preceding, 30.6; minimum temperature 24 hours preceding, 15.7; wind velocity 3 miles per hour.

Will Speak on Incandescent Lights.

"The Manufacture of Incandescent Lamps" will be the subject of the lecture which Mr. Ralph Beman, of the National Electric Lamp Association will give in room 311 of the engineering building, at 11:00 o'clock this morning. The lecture is open to the public.

BOAT CLUB IS OFFERED GIFT BY EDISON CO.

Building Site on Lake and $1,000 Toward Construction of Club House Granted by Company.

COMMITTEES TO REPORT ON CLUB ORGANIZATION SOON

Gift Was Obtained Through Efforts of G. S. Williams and Mr. Dow.

The Eastern Michigan Edison Co., through its local office, has offered to donate a building site on the lake above the new dam and $1,000 towards the construction of a club house, to the Michigan Union Boat club, the organization of which is still pending.

The gift was obtained through the instrumentality of Gardiner S. Williams, and Alexander Dow, general manager of the Edison Co.

The committee in charge of the organization of the boat club appointed one month ago by Pres. E. G. Kemp of the Union, has been divided into two sections, with "Mort" Hunter, '13E, and George Duffield, '14E, as chairmen. The section under Hunter is investigating aquatic sports at other institutions, and Duffield's squad has been put in charge of the organization of the club.

The committee on the completion of its work will submit its findings to a general meeting of the Michigan Union members interested in canoeing or kindred water sports. Officers will be elected at that time.

It is proposed to organize the club on the plan of the average boat club. The officers of the organization will be a commodore, vice-commodore, and three ensigns. Membership in the club will be open to anyone, but will be divided into classes, active and associate. The active membership will include those who are members of the Union, while the associate members will include all those who pay dues.

The first meeting of those interested in the formation of such a club will be held in the near future.

Junior Research Club Holds Meeting.

The Junior Research club met last evening in the medical building. Mr. G. N. Curtis read a paper on "Reconstruction Methods as Used in Histology."

Prof. Wilgus May Meet Classes Today.

Professor H. L. Wilgus, of the law faculty, who has been confined to his home since Friday with an attack of la grippe, expects to meet his classes today.

Prof. Knowlton to Meet Classes Today.

An attack of pleurisy confined Prof. J. C. Knowlton to his home yesterday, he will probably meet his classes today.

Socialist Society Will Hold Dance.

Members of the Intercollegiate socialist society will hold a dance Friday night at 8:30 in Barbour gymnasium. Tickets which are 50 cents may be obtained from the committee or at the door.

FOUR TEAMS WILL COMPETE IN MEET

Competition in Varsity Contest to be Between Different Classes.

ENTRIES MUST BE IN TONIGHT.

Instead of the usual two team competition that has marked the annual Varsity meet in years previous, an innovation will be tried this season in the nature of an inter-class meet. Saturday evening the annual Varsity indoor meet will be staged and the competition will be between the 1913, 1914, 1915 and 1916 classes.

In previous years it has been customary for two teams to be chosen, one led by the Varsity captain, and the other captained by the oldest or the most consistent point winning veteran on the squad. Trainer Farrell and Captain Haff believe, however, that this form of competition is largely artificial. They believe that a four cornered meet between the four classes in the university will develop a keener spirit of rivalry among the contestants and at the same time foster a greater amount of interest among the spectators.

Entries for the meet must be made at the office of Dr. May, before 6:00 o'clock this evening. As qualification marks have been set in all the events except the 75 yard dash and the two hurdles, the men who sign up for the meet are expected to have met the conditions set. Ample time will be given today for the men who are not sure of their ability to try for the qualification marks before they sign up.

COMMUNICATION.

This paper assumes no responsibility for sentiments expressed in communications.)

Editor, The Michigan Daily:—

This question of the solicitation of funds for the new Union club house is such an important one that it should be thoroughly threshed out by members of the Union before any further steps are taken in this direction. The writer cannot see any merit in the proposition of uniting the forces of the Y. M. C. A. with those of the Union in this campaign for money. On the other hand there are many positive evils which would flow from such an involved course.

The Union is a separate and distinct organization, and in no way connected with the Y. M. C. A. For this reason if no other, funds should be solicited for the Union and by the Union unhampered by any cooperation with other organizations. The Union must stand or fall as an organization on its own merits. There is as little reason in seeking to join the campaign of the Y. M. C. A. and the Union for funds as there would be in joining the campaign of the Union with the Corda-Frazres, the Unis varsity club, and the numerous other organizations who are desirous of having a club house of their own.

When a man is approached for a subscription he wants to subscribe to a definite and positive scheme. He does not want to be misled into the belief that he is putting his money into a Union venture and find out later that part of it went to the Y. M. C. A. building fund. Nor does he want to be approached by a solicitor who asks him either to contribute to one or another of two conflicting enterprises. As to the first of these objections, we all recall the trouble that arose when the alumni found out that the money most of them intended for a Union was spent for the Memorial hall. The same difficulty will be sure to arise if the Y. M. C. A. and Union campaigns for funds are confined. As to the second of these objections it is poor business policy to approach a man and ask him either to buy Union stock or Y. M. C. A. stock. Such a solicitor is inevitably bound to fail, for the arguments used in urging an alumnus to subscribe to the Union fund are entirely different from those used in asking one to subscribe to the Y. M. C. A. And furthermore, 6 St. Matthews 24 says: "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the

(Continued on page 4.)

ANNOUNCE PLANS FOR SPRING TRIP

Mechanical Engineers Will Go East on Annual Inspection Trip

PLAN TO BE GONE 15 DAYS

Mechanical engineers who will make the annual spring inspection tour will leave Ann Arbor Thursday morning, April 3, for a 15 day trip through the east. According to Prof. Zowski who will personally conduct the trip, the expense to each man should not exceed $60.00.

The party will go directly to Detroit where they will take the boat for Cleveland. Friday morning the Brown Hoisting Machinery company and the American Steel and Wire company in that city will be visited. On the way to Youngstown, a stop will be made at Akron to inspect the Goodrich Rubber company.

Saturday will be spent in going through the steel mills at Youngstown. Sunday and Monday will be passed in Pittsburg, where the Crescent Steel Works, the Westinghouse Air Brake and Westinghouse Machine companies will be inspected.

On the way to Washington, a stop will be made at York, to visit the S. Morgan Smith company, the largest water turbine concern in the world, and the York Machine company, the largest machine company in this country.

Tuesday night and Wednesday will be spent in Washington. Efforts will be made to meet the president and see Congress in session. Thursday the party will visit the shipbuilding yards at Philadelphia and the DeLaval Steam Turbine Company at Trenton.

The stay in New York will extend from Thursday night to Monday night, April 14, and during that interval one of the large ocean vessels, Edison Electric Company power plant, and the Singer Sewing Machine Company will be visited. On Monday afternoon the General Electric Company in Schenectady, and on Tuesday the water power works at Niagara Falls, including the International Paper mills, and a carborundum plant will receive the attention of the sightseers.

The first meeting of those who intend taking the trip will be held Thursday at 2:00 o'clock in room 229 engineering building.

FORESTERS TO TAKE EXAM.

Ten Post Graduates Will Try For Positions.

Ten post graduate foresters will take the civil service examination for forest assistant which will be held next week in the high school buildings on Wednesday and Thursday. Since 1902, when the department first began sending men as a class to take this examination, only five have failed to receive an appointment to the service. Four of these failures occurred last year when an unusually large class of 21 went up before the examining board.

TICKETS FOR CORNELL MEET MAY BE OBTAINED THURSDAY

Only Upperclassmen and Post Grad Will Be Allowed to Attend.

The drawing of seats for the Cornell meet, which is slated for March 22, will start at the athletic office Thursday morning at 9:00 o'clock. In accordance with the plan of the student council, only post-graduates, seniors, and juniors will be admitted to the meet and only as many of them as the stands can accommodate.

It is expected that this meet will see a larger crowd in attendance than the previous ones, and though arrangements have been made to seat as many as possible, there are not enough seats to accommodate all the upperclassmen. As seats will be given only to those who apply for them, it is urged that all who desire to attend the contest make application early.

Coupon 14 is to be signed and exchanged for the admittance card and the locality of the seat, whether upstairs or down, will be determined by drawing.

BRIDGE TOURNAMENT WILL START AT UNION TONIGHT.

The annual Michigan Union bridge tournament will start at the Union tonight at 7:30 o'clock. Two prizes which will be Michigan steins will be awarded to the winners. Inasmuch as this tournament is limited strictly to auction bridge there have been some inquiries about a straight bridge tournament and if a sufficient number leave their names at the desk in the Union such a tournament will be arranged.

March Law Review Is Out Tomorrow.

Articles by W. S. Holdsmith of Oxford, E. S. Roger, of the Chicago bar, and A. N. Whitlock, of the University of Montana Law School, will be the features of the Law Review for March. This issue will be out tomorrow.

MAY FESTIVAL SEATS TO BE PUT ON SALE

Reserved Seats for Twentieth Annual Festival Will be Placed on Sale Saturday Morning.

WILL FOLLOW SAME GENERAL PLAN AS IN PAST FEW YEARS

Mail Orders When Accompanied by Remittance Will be Filled in Advance.

Reserved seats for the twentieth annual May festival will be placed on sale Saturday morning, March 8, at 8:00 o'clock. In accordance with the same general plan followed in the past few years, the reservation fee for those who hold tickets for the winter series of concerts will be from $1.00 to $3.50. Persons who do not hold pre-festival tickets must pay $4.00 to $6.50 for a reserved seat for the entire program. The seats will be sold in three blocks.

Block "A" will be placed on sale Saturday morning, March 8, at $6.50 each (or $3.50 each if pre-festival ticket is exchanged). On Saturday morning, March 15, all unsold seats in block "A" will be reduced to $6.00 (or $3.00 if pre-festival ticket is exchanged).

Block "B" will be placed on sale Monday morning, March 17 at $5.50 each (or $2.50 each if pre-festival ticket is exchanged.) On Saturday morning, March 22, all unsold seats in Block "B" will be reduced to $5.00 (or $2.00 if pre-festival ticket is exchanged.

Block "C" will be placed on sale Monday morning, March 24 at $4.50 each (or $1.50 each if pre-festival ticket is exchanged.) On Saturday morning, March 29, all unsold seats in Block "C" will be reduced to $4.00 (or $1.00 if pre-festival ticket is exchanged.

Mail orders accompanied by remittance to cover, for the initial sales ($6.50, $5.50 and $4.50 seats) in the several blocks will be fielled in advance in the order received. Mail orders for reduced sales ($5.00, $5.00 and $4.00) in the several blocks will not be filled in advance.

SENIOR LITS MUST PAY DUES TO GET NAMES IN PROGRAMS

Senior lits have the last chance today to pay their class dues in order to have their names in the invitations. The tax is collected at the S. L. A. window in University hall from 8:00 to 12:00 o'clock in the morning and from 1:00 to 5:30 in the afternoon. The invitations are 30 cents and each member may order as many as he desires.

About 150 seniors responded to the first call for money yesterday and if the other 350 members of the class fail to pay, their names will be left out of the invitations.

Superintendents Look for Teachers.

Mr. Herbert Blair, superintendent of schools of Hibbling, Minn., and Mr. S. H. Gober, superintendent of schools of Wausau, Wis., called on the Appointment committee yesterday in search of teachers for the coming school year.

ANNOUNCE MEN SELECTED FOR OPERA PARTS

Men Who Will Fill Speaking Roles in "Contrarie Mary" Are Picked From Tryouts.

ALL PRINCIPALS WILL PLAY IMPORTANT PARTS IN SHOW

Men in Singing and Dancing Choruses Will Rehearse This Afternoon.

Following tryouts which have continued for more than three months, the names of the men who fill speaking parts in "Contrarie Mary," the 1913 Michigan Union opera, were announced last evening. The characters in the order in which they will appear are:

Jerry Boles, an old sea captain.
..... E. M. Parsons, '14
Larry, a fat and jovial innkeeper.
..... S. L. Adelsdorf, '14L
Verniant Field, Winkfield 1516 .....
..... Lyle Cuff, '14
Gillilion, a brother in the handshake of Iota Tri, Winkfield, 1514
..... G. C. Eldredge, '14
Pedro, the leading spirit of the Pel Rho Us, Winkfield, 1514 .....
..... B. E. Kline, '14
Sobler, a gloomy student, Winkfield 1516 ..... W. E. Fellows, '14
Rafael, of Chocero, captain of the Winkfield Tournament team .....
..... N. W. Reed, '13L
Ethelbert, Winkfield 1513, ...
..... K. N. Westerman, '14
Marietta, daughter of Sir John Twiseden ..... G. M. Moritz, '15
Sir John Twisden, Master of Winkfield College ... Lawrence Clayton, '14
Cuthbert, of Tulane, a he-devil, Winkfield 1515 ... G. E. McConley, '13L
Julienne, a convent girl, and friend of Marietta's ... Durward Grimstead, '15
Lucy, Sir John's elderly housekeeper
..... J. G. Turpin, '14
Francisco, a friar with a few red corpuscles ..... R. D. Bromley, '14

Unlike former Union operas, all of the principals in "Contrarie Mary" will play a large part in the action of the show. The selections as announced yesterday represent the men finally picked out of nearly 100 men who competed for the various roles.

Men chosen for cast positions will meet at the Union at 4:00 o'clock this afternoon, at which time the lines in set one will be worked upon, and the details of the staging of this part of the performance determined. The orchestrations of the score have arrived, and the orchestra will meet at 7:00 o'clock this evening at the Union for its first rehearsal. Members of the singing and dancing choruses will also practice at 7:00 o'clock tonight.

MISSION STUDY CLASSES START TODAY AT NEWBERRY

The Y. W. C. A. will start a five week series of mission study classes and socials tonight which are open to all university women. This evening at 7:30 o'clock the class in "South American Problems" will meet at Newberry hall; Thursday afternoon at 4:00 o'clock two classes on "The Chinese Revolution" and "The Challenge of the Country," Friday at 3:00 o'clock the first study in "Comparative Religions" will be held. Announcement will be made next week of the other classes.

JUNIOR LAWS MAKE PLANS FOR ANNUAL CLASS BANQUET

A committee of 18 members of the junior law class, was appointed yesterday by President Snyder to assist the standing social committee in their preparations for the annual junior law banquet, which is to be held March 14. Each member of the class will be seen by one of the committeemen in an endeavor to make this the largest banquet ever held.

Regent W. A. Comstock, of Alpena, is to be the principal speaker at the banquet.

LOCAL WIRELESS STATION IS EXAMINED BY INSPECTOR

Federal Official Issues Temporary License to University Plant.

Inspector Dillon, federal district examiner of wireless telegraph stations, reported the university wireless plant to be the strongest university station in his district, after an examination of the plant yesterday morning.

A permanent license was not issued to the station, however, because of the new ruling of the Secretary of Commerce which states that experimental plants of technical schools do not come under any of the classes described in the law regulating the actions of commercial stations.

A temporary license, an experimental school certificate lasting one month, was given to the station, with the promise that it would be supplemented by a permanent license as soon as the latter has definitely decided how to classify the 40 or more technical school plants which are at present sending and receiving messages.

MATERIAL FOR 1912 ANNUAL IS BEING SENT TO PRINTERS

All material for the 1913 Michiganensian has been handed in and much has been sent to the printers and engravers.

The art work due to the prizes offered by the editors is of a much higher class than last year, there being several designs of each drawing to choose from. Plates of the different headings of the five books of the volume have been returned from the engravers showing several views of Ann Arbor in colors.

NEW YORK ALUMNI CLUB HAS POSITIONS FOR GRADUATES.

The University of Michigan club of New York, through its employment agency, has several opportunities to offer graduates. A man with chemical training is wanted in the laboratory of a manufacturing concern. A graduate with salesmanship and executive ability, can be placed with a large wholesale musical instrument house. An old Brooklyn law firm has an opening for a graduate, who is a member of the New York bar, or ready to pass its examination, with good credentials from Dean H. M. Bates. Further information can be obtained from Earl D. Babst, 409 W. 15th St., New York City.

THE MICHIGAN DAILY STARTS SUIT AGAINST ADVERTISER.

The Michigan Daily will make its initial appearance in the courts of law tomorrow morning when its suit against E. R. Frost comes up before Justice Doty. The case which was instituted to recover $31.85 for an unpaid advertisement is scheduled for 10:00 o'clock. Three members of the business staff, Joseph Fouchard, A. R. Johnson, and Emerson R. Smith will testify for The Michigan Daily.

POST GRADUATE FORESTERS FORM CLASS ORGANIZATION

At a class meeting held February 24 the post graduate foresters organized by electing class officers. D. C. Birch was made president and H. W. Goddard secretary and treasurer. Every two weeks, beginning after the civil service examination, they will hold discussions and debates upon principal forestry issues of the day.

Alchemists Hear of Color Photography

At a meeting of the Alchemists held in the Chemistry building last evening at 7:30 o'clock, Mr. J. H. Matthews gave a talk on "Color Photography and Some of Its Applications."

Episcopal Theological School
CAMBRIDGE, MASS.

The location offers unequalled opportunity for graduate work at **Harvard University.** For catalogue address Dean HODGES.

POSTPONE FINAL CONTEST FOR ORATORICAL TRYOUTS

Michigan's Representative in Hamilton Contest to be Picked Tonight.

Owing to the entrance of two new men, the final contest to decide Michigan's representative in the Hamilton Oratorical contest will be held this evening, instead of last night, as arranged.

B. J. Jonkman, law special, and J. W. Harding, '14L, the two new men, increased the entry list to 10 and these were evenly divided for two preliminaries. One was held last night, and the other will be held this afternoon, while six men will speak tonight, three from each preliminary.

Lyman S. Hurlburt, '14L, Louis D. David, '15L, and Bartel Jonkman were chosen last night, with W. W. Schroeder, '14, as alternate.

The final contest tonight will be held at 7:30 o'clock in room B of the law building, and will be open to the public.

JUNIOR CLASSES PLAN TO HOLD "JAMBOREE" APRIL 25

April 25 instead of March 29 is the date on which this year's "Junior Jamboree" will be held, according to plans formulated at a joint meeting of the third year lit and engineering social committees held yesterday afternoon. The change was made because of conflicts on the night of the earlier date.

Detailed plans of the party have not yet been drawn up, but simplicity will be the keynote of the dance.

SUGGESTION BOX IS AID TO FORESTRY DEPARTMENT MEN.

Foresters have placed 75 topics for consideration in the suggestion box since its installation three months ago. The box is opened at every faculty meeting and all suggestions are duly considered. Faculty comment is placed below the suggestions which are posted on the bulletin board.

SOPH LITS START CAMPAIGN TO COLLECT UNPAID DUES.

Circular letters have been sent out by the finance committee of the soph lits requesting each member to pay his dues. The letters state that the class has not enjoyed as prosperous a year as would be possible if all accounts were settled, and urge that all dues be paid at once.

Dues will be collected tomorrow in University hall from 9:00 until 5:00 o'clock. Those who have already paid are asked to wear the tags they received at the time of payment.

New York Alumni to Hold Reception.

The University of Michigan club of New York has planned an informal reception at which all new members will be welcomed. It announces that pocketbooks will be conspicuous by their absence. The affair will be held at the Chemists' club on the evening of March 14.

PROF. ROTH WILL TALK AT DETROIT AND BIG RAPIDS.

Prof. Filibert Roth, head of the forestry faculty, will deliver two extension lectures this week end. On Friday he will speak before the Detroit Central high school, and on Saturday he will address the Ferris Institute at Big Rapids. At both places he will speak on general phases of modern forestry.

The best guitar or mandolin for you to buy is made by the world's famed Martin factory. See and try these beautiful instruments at Schneberle and Son's Music House. if
