YOST MAKES ANOTHER SHIFT IN BACKFIELD

Pontius Resumes Old Place at Right Tackle in Signal Drill of Yesterday Afternoon.

MEAD MAY HOLD FULLBACK POST IN SATURDAY'S BATTLE

Bushnell Fills Quarterback Position; May Not Give Varsity Regular Work.

Miller Pontius, tried at fullback in the M. A. C. game, went back to his old post at right tackle in yesterday afternoon's Varsity signal drill, and it begins to look as if Coach Yost will send Mead to the fullback's post in Saturday's battle against the Commodores.

Flanking Mead in yesterday's drill were Galt and Bastian. Bentley, the other logical halfback candidate, played with the second string men against the All-Fresh. Bushnell ran the Varsity at quarterback during the afternoon's workout, and the Varsity went through a variety of its plays for the benefit of the man who will be called on to general the team if anything happens to Hughitt.

On the line Lichtner still continued to play at left guard in place of Traphagen, while James appeared at the right flank instead of Lyons. The other positions were filled by the regulars.

Again Coach Yost did not send his first string men into actual battle preferring to take no chances with them on the eve of the trip to Vanderbilt. If he does not give the regulars rough work today, the team will depart without having been in any actual play since Saturday's disastrous M. A. C. battle.

The second string bunch engaged the All-Fresh team in battle, and though both teams played raggedly, triumphed over Coach Douglas' wards by the score of four touchdowns to one field goal. Roehm made three of the touchdowns and Bentley one. Watson kicked two goals. For the freshmen Rinebel negotiated a drop kick.

DR. FISHER TO LECTURE ON SEX HYGIENE AT MAJESTIC.

Dr. George E. Fisher, of New York city, will deliver the last address to university men on the sex hygiene series, arranged by the Y. M. C. A., in the Majestic theatre at 6:30 o'clock Sunday. He is conceded to be one of the great experts on the subject of physical education in this country.

Moving picture films will precede the lectures to be held in the Majestic on Sunday evenings for the next two months.

EX-AMBASSADOR WILSON TO SPEAK

Henry Lane Wilson, late ambassador to Mexico, will be in Ann Arbor October 30 or 31, to address the convention of the State Teachers association. Mr. Wilson will undoubtedly speak on some phase of the Mexican situation.

Up to last evening nearly 4,200 registrations had been received from the teachers throughout the state for the coming convention. At least another thousand are expected to register within the next week, and fully that number will postpone registering until they arrive in the city at the time of the convention.

Dr. Warthin's Final Lecture Tomorrow

Dr. A. S. Warthin will give his final lecture to freshmen on "Sexual Physiology and Pathology" tomorrow night. The talk will be given at 7:30 o'clock in the amphitheater of the medical building. Students who did not receive tickets by mail, may obtain them from the University Y. M. C. A. office.

SENIORS TO MEET ADVISEES AT UNION SMOKER TONIGHT.

The "acquaintance party" for senior lits and their freshmen advisees, which is scheduled to be held at the Union tonight, will not begin until 8:00 o'clock to allow freshmen to accompany the team to the station.

Dean J. R. Effinger, Prof. M. P. Tilly, and Karl Hoch, chairman of the advisory committee will talk. Willis Dickens, Waldo Fellows, Bruce Miles, Ewing Bond, Ralph Conger, Kenneth Westerman, and Charles Webber are also listed on the program.

FIRST GAMES WON BY UPPER CLASSES

Senior engineers and junior engineers were the teams that won the decision in the opening games of the interclass football schedule yesterday afternoon. The seniors took the sophs into camp by a 25 to 0 score, while the juniors defeated the freshmen 6 to 0.

Mueller, McQueen, and LaLonde, playing the three backs for the senior eleven, were the stars of the senior-soph contest. They had little trouble in penetrating their opponent's line for consistent gains.

The first half of the junior-frosh scuffle finished with neither team scoring. In the third period, Mead, playing left half for the juniors, skirted right end the necessary 15 yards for the only score of the game.

Literary teams will clash this afternoon. The seniors will battle with the sophomores, and the juniors will oppose the freshmen. Both games will start at 4:05 o'clock.

Sale of Gargoyle Reaches 800 Figure.

Circulation for the first issue of the Gargoyle has reached the creditable figure of 800 up to the present date. The staff and tryouts met yesterday to formulate plans for the "Football Number" which will appear on November 15.

PICK COMMITTEES FOR BIG SMOKER

Committees for the Michigan Union football smoker to be held at the gymnasium, Tuesday, November 18, have been appointed by President Selden Dickenson. The public presentation of the "M" certificates to the Varsity players is the principal innovation in this year's post-season fest.

Edward Saier, '15L, is general chairman and the committees are as follows: Committee on arrangements —Henry Parsons, '15E, chairman, Vilroy Miller, '15L, Paul Wagner, '16E, C. J. Goodrich, '15L, Howard Marsh, '15, F. H. Crane, '15, Howard Phillips, '16E, John Finkenstaedt, '16E, Westcott Smith, '15E, Paul Thompson, '16, Julius Schlotthauer, '14, John Watkins, '15, and Waldo Fellows, '14.

Speakers committee—Paul Blanshard, '14, chairman, W. B. Shaw, and Karl Mohr, '15L.

Program committee—P. D. Koontz, '14, chairman, Bruce Miles, '14, E. C. Wilson, '15, Carroll Mills, '14, and C. E. Guthe, '14.

Publicity committee—Leo Burnett, '14, chairman, Gordon Eldredge, '14, Y. F. J. Hsu, '14.

Finance committee—Ralph Conger, '14, chairman, Ned Ettinger, '15, Durand Johnson, '15, H. M. Corey, '16E, and P. H. Middleditch, '15E.

There will be a meeting of the combined committees at the Union Thursday afternoon at 4:00 o'clock, at which time general plans will be discussed and preliminary arrangements made.

All students in the university, whether members of the Michigan Union or not, are invited to attend the smoker.

Hold Chess and Checker Match Tonight

Chess and Checkers club will commence play in an open tournament at the Union tonight, directly after the football demonstration. Students interested in either game are eligible to the organization. Entries will be received until November 1.

GREATEST OF MASS MEETINGS PAYS TRIBUTE TO VARSITY

Four thousand cheering Michigan students made the giant mass-meeting in the Hill auditorium last night the greatest in the history of the university.

It was not a sub-meeting for games that have past, but essentially a pep-meeting for those to come.

From the time the audience arose to salute the likeness of President Emeritus James B. Angell, until the last echoes of The Yellow and Blue had died away, the great amphitheater reverberated with cheers and yells, which boded ill for the success of Michigan's opponents during the remainder of the season.

The crashing rhythm of the cheering led by Carroll B. Haff, gave promise of a stirring sendoff for the team tonight. The whole spirit of the occasion served as a reminder of the famous meeting of two years ago which led to an 11 to 9 score against Pennsylvania on the following day.

Edward Kemp, '12-'14L, voiced the opinion of the meeting when he answered his own question, "Are we cheering for Michigan?" By illustration he reduced too frequent use of the Ypsi siren yell to an absurdity, sounding its death knell, as far as its use at all other intercollegiate contests is concerned. Professors W. D. Henderson and R. M. Wenley expressed the sentiment of the undergraduate body when they assured the team that an unfortunate occurrence such as that of last Saturday can not lessen the support deserved by a Michigan eleven.

A new Michigan song, "Win for Michigan," written by William Whedon, '81, met with an enthusiastic reception. It bids fair to take rank with "Varsity" in the favor of the student body.

BIG ARRAY OF ALUMNI TALENT TO COACH TEAM

"King" Cole of 1902 Team Now in Town; Walter F. Bennett, Captain '99 Eleven, to Be Here Soon.

HESTON, CAPTAIN OF '04 TEAM TO TUTOR YOST'S BACKFIELD

Many Other Old Stars Expected Back Before Season Closes to Assist Coach.

William C. Cole, known to the Michigan football world as "King" Cole of the 1902 team, is the first of the array of alumni talent which will assist in preparing the Wolverines for the remainder of the games.

Cole is right on the job now and will remain until the end of the football season. The "King" has had a great amount of coaching experience, as he tutored the University of Virginia team two years and later coached at Nebraska. Cole is at present a ranch owner in Montana, but has come on to Ann Arbor to assist his alma mater in putting out a team that will whip Cornell and Penney.

Monday next Walter F. Bennett, of New York, captain of the 1899 team, and a four year member of the Michigan Varsity, is expected to arrive in Ann Arbor to help out with the whipping of the team into shape. Bennett played end with Neil Snow, and is one of the best ends Michigan ever turned out. Undoubtedly he will work principally with Torbet, Lyons and James.

Others of the old guard will arrive at various times during the remainder of the season, to assist as long as their business affairs will permit. Among the alumni who will be on hand are Tom and Harry Hammond, end and halfback on the 1903-4-5 teams, who will be here the entire last week of the season; Frank W. Henninger, captain of the 1895 team, and one of the best tackles of his day; Willie Heston, captain of the 1904 team, and All-American halfback; Curtis G. Redden, captain of the 1903 team; Albert Benbrook, captain of the 1910 team; Hugh White, captain of the 1901 team, the first team coached by Yost, and Hal Weeks of the 1904 team.

In addition to this list, it is expected that many more of the old time football players will come into Ann Arbor to help make the 1913 eleven one of which Michigan can be proud in spite of the M. A. C. defeat.

Green Blossom to Feature Flower Fest

The green chrysanthemum which Dr. Henri Huss has been working on for some time, is now in bloom. This plant is the rarest specimen of all the 3,000 plants that are to be on exhibit in the university's second annual flower show, which will start next week in Alumni Memorial hall.

BAND PROBLEM IS DISPOSED OF BY COMMITTEE

Entire Reorganization Proposed in Investigation; Sanction of Non-Athletic Board Necessary.

PLAN PROVIDES $800 SUM FOR REGULAR 30-PIECE BAND.

Cornell Trip Will Depend On the Support of Student Body.

Entire reorganization of the Varsity band is proposed in the report of the committee appointed to investigate the question. The committee, consisting of Director P. G. Bartelme, Prof. A. S. Whitney, and J. L. Lippincott, '14, has reached an agreement, which needs only the sanction of the board in control of non-athletic activities, to become effective.

The plan provides that for $800, a band of 30 will be paid and maintained by the athletic association in return for which it will play at all week-end athletic contests, not more than three mid-week contests, and not more than three evening mass meetings.

Prof. A. G. Hall has been appointed graduate manager, whose duty it will be to audit and pay all bills, and render a report to the university auditor and the board in control. The business manager, who will be Mr. Samuel J. Hoexter, of the engineering faculty, will have charge of the band's library and equipment. He will make and file contracts with the different members and keep a record of attendance. This record will be submitted to the graduate manager at the close of the season. Upon this basis, salaries will be paid after the deduction of fines. Ike Fisher will still retain his position as musical director. Together with some member of the School of Music, appointed by Prof. A. A. Stanley, he will try out candidates for membership. He will have direct supervision over the band when it plays.

A standing committee of five, consisting of Profs. A. G. Hall, A. S. Whitney, Albert A. Stanley, Director P. G. Bartelme, and a representative of the student council will provide for all contingencies not taken care of in the contract.

This agreement, however, does not provide for a trip to Cornell. If such a trip is undertaken it must be financed by popular subscription. The contemplated spring concerts will probably be supported by the board of regents.

Michiganensian Appointments Made.

Staff appointments for the 1913-'14 Michiganensian have been made, Carlton H. Jenks, '15, being appointed sporting editor, and Francis A. Bade, '16, art editor.

Error Made in Fraternity Charges.

According to a story in yesterday's issue of The Michigan Daily it appeared that charges involving two local chapters of national fraternities had been filed with the local interfraternity conference.

Inadvertantly the head and date lines were omitted from the story which was a news exchange from another university. The Michigan Daily maintains a weekly news letter exchange with several large western universities and the story in question was separated from the rest of the news letter. The local chapters were in no way involved.

ARRANGE PROGRAM FOR CONVOCATION

Organ selections by Prof. A. A. Stanley and a solo by Professor W. Howland, will augment the Convocation program Friday, at which President Harry B. Hutchins will deliver the Convocation address. No one has been chosen to give the invocation. An invitation was extended to the graduate students yesterday to wear their caps and gowns at the exercises.

Graduate students will meet at University hall and march to Hill auditorium with the faculty. The other classes are to meet in sections as described yesterday in The Michigan Daily.

Seating arrangements as now planned will place the faculty on the stage, with the graduate students, seniors and sophomores on the ground floor. Juniors will occupy the balcony and the freshmen the gallery.

Dean Cooley will return tomorrow and resume personal charge of the seating arrangements. He desires to meet all the class presidents and their assistants in his office in the new engineering building at 4:00 o'clock tomorrow to complete ushering details.

The program follows: organ prelude, Professor Stanley; invocation; solo, "There's a Land," Professor Howland; convocation address, President Hutchins; organ selection, Professor Stanley; America; benediction.

FRATERNITIES ARE STRONG IN UNION

That a majority of fraternity men are Michigan Union members is shown by the recent canvass directed by Ralph Conger, '14. From 1122 fraternity men, 858 are members of the Union. In many cases entire chapters are registered on the Union rolls while in many cases the average is lowered by the professional organizations.

The results follow, with the chapter membership first, and the Union membership following: Alpha Kappa Kappa, 22, 17; Alpha Sigma, 28, 14; Alpha Tau Omega, 28, 16; Delta Sigma Delta, 26, 18; Gamma Eta Gamma, 18,11; Kappa Sigma, 31, 25; Nu Sigma Nu, 30, 10; Phi Alpha Gamma, 16, 5; Phi Beta Pi, 35, 15; Phi Delta Phi, 20, 8; Phi Kappa Psi, 30, 20; Phi Kappa Sigma, 24, 12; Phi Rho Sigma, 24, 11; Phi Upsilon Rho, 32, 11; Psi Omega, 31, 11; Psi Upsilon, 31, 26; Xi Psi Phi, 28, 18. In the 32 other chapters reported either all of the members or a great majority belong to the Union. The committee believes that some of the chapters may have sent more of their men into the Union since the above report was made.

Bulletin Will Be Issued Saturday.

The University news bulletin will be issued for the first time this year Saturday, October 25. All announcements for next week's bulletin must be left at the president's office or in the news editor's box in University hall before noon, Friday, October 24.

Exhibit Made in Ann Arbor Articles.

Articles manufactured in Ann Arbor are featured in the industrial exhibit at the City Y. M. C. A. carnival this week. Funds raised from the carnival are to be used for a swimming pool for the Y. M. C. A. The admission is 10 cents, and the entertainments begin at 7:30 and 8:30 p. m.

VARSITY WILL LEAVE TONIGHT AMID CHEERS

Entire Student Body to Accompany Team to Ann Arbor Station; Varsity Band Will Lead Parade.

EVERY ROOTER IS URGED TO PARTICIPATE IN BIG EVENT.

Carroll Haff Will Officiate From Box Car in Final Demonstration.

Let's go, Michigan.

A chance to use the pep stored up at the mass meeting last night will be offered to every man on the campus tonight when the team leaves the Ann Arbor station for the game against Vanderbilt Saturday.

The Varsity band will be in front of University at 7:00 o'clock to lead the big procession of rooters to the station in time to cheer the team's departure at 7:46 o'clock. From the enthusiasm and size of last night's meeting the sendoff bids fair to be the greatest ever given to Michigan's athletes. Carroll B. Haff will lead the cheers and songs from the top of a box-car.

Arrangements are being made for the parade no matter what kind of weather may fall to Ann Arbor's lot, and it is expected that the promises made to the team last night will be fulfilled in the same spirit in which they were tendered.

EXHIBIT PICTURES BY GARI MELCHERS IN ALUMNI HALL

A number of pictures by Gari Melchers, the Detroit artist who recently received a degree from the university, are being hung in Memorial hall. The pictures are here in connection with an exhibit of 35 paintings from the Hecht Gallery in Muskegon. The exhibition will be open to the public within a few days, and will remain until after the teachers' convention the last of the month.

Prepare Bulletins on Students' Health.

Doctors H. H. Cummings, C.B. Stouffer, and L. C. Pratt, who are in charge of the university health service, have prepared a bulletin on "Safe-Guarding the Health of Students." It will contain five or six pages describing the details of the health service, gymnasium examinations, the dental clinic, the water supply, examination of class rooms, management of infectious diseases, lectures on hygiene, and rules for university sanitation.

Deutscher Verein Men Will Meet.

The men's section of the Deutscher Verein will hold its first meeting tomorrow evening at 8:00 o'clock. Officers will be elected for the year.

UNION BOAT CLUB HAS BIG GROWTH

Active work on the Michigan Union Boat club has been started under the commodoreship of Henry Parsons, '15E. Already nearly 200 have become associated with the organization.

Among the events to be given by the club are a dance at the Union, Saturday, November 8, a smoker in December, and a combined regatta and carnival early in June. The latter will attempt to take the place of the circus which has been held in previous years.

A membership campaign has been outlined by Carl Bloomshield, '16D, third ensign. The committee is as follows: H. E. Waldron, chairman, J. H. Fee, H. M. Corey, P. C. Wagner, A. H. Rowe, H. C. Kreeger, R. M. McKean, H. H. Roberts, Durand Johnson, C. Coryell, J. Chenot, E. F. Hyde, H. Pelham, Kemp Burge, H. C. Duffield, J. W. Bennie, W. W. Watson, V. Millar, R. E. Gliechaut, A. H. Liese, R. A. Butler, and R. V. Sanford.

The committee will meet at the Michigan Union at 5:00 o'clock Monday afternoon.

CAMPUS IN BRIEF.

—Thomas E. H. Black, A.B. '14L, is managing and directing the Ann Arbor high school's play "A Midsummer Night's Dream" to be given November 7 and 8. He is also directing the symphony orchestra and organizing a band.

—Wireless communication will be opened in a few days with the University of North Dakota under the direction of Prof. H. S. Sheppard.

—An illustrated lecture on "The 110,000 Volt Transmission System" will be given by Prof. A.H. Lowell in room 348 of the engineering building at 7:30 o'clock, tomorrow night.

—All freshmen are again urged to sign up promptly for their physical examination and to report punctually to Dr. May. There are only a few days left in which to be examined.

—Professor David Friday of the economics department is in Pittsburg where he has been engaged by the Lake Shore railroad to assist in evaluating its terminal there for the minority stockholders.

—More than 2,400 exposures have been taken through the big telescope at the University observatory since it was installed in 1911. The time spent in taking exposures alone now amounts to about 600 hours.

—Earl T. Putnam, '12E, of Kalamazoo, was married Saturday to Miss Jane Spearing of the same city.

—A Thanksgiving concert by the combined musical clubs will be given in the Hill auditorium on the evening of November 26. The program will be composed of the successful members used by the clubs last year.

Tickets for the Wright Saxophone party to be given at the Union Friday evening are limited to 75. The tickets are selling for $2.00 each, and up to the present time the sale has been very light.

—Active work has been started by the board of advisors to foreign students. Letters numbering 160 have been sent to the different individuals telling them their advisors and consultation hours.

ALL-FRESH MEETS ADRIAN SATURDAY

Adrian college will furnish the opposition for Michigan's All-Fresh eleven while the Varsity is battling Vanderbilt at Nashville Saturday.

Though Douglas' proteges were originally billed to stack up against the M. A. C. yearlings on Ferry field, the Aggie athletic authorities asked that the game be cancelled inasmuch as freshmen are eligible to play on the M. A. C. Varsity, and the Farmers are to play Wisconsin on Saturday. The Michigan authorities agreed to the request, and secured the game with Adrian.

Adrian has conquered two All-Fresh teams and is expected to put up an interesting game. No little interest is attached to the contest in that Maulbetsch and Pierce, two members of the All-Fresh eleven, formerly played at Adrian.

VANDERBILT HAS STRONG PUNTER

NASHVILLE, TENN., Oct. 21.—Dispatches from Ann Arbor stating that Michigan would perhaps be weak in the punting game on Saturday cast a ray of new hope over the Commodores' training camp today. Boensch, the Vanderbilt kicker, is generally considered nearly as great a kicker as the renowned Bob Blake. Blake was the man who used to throw an habitual scare into the Wolvertines on his appearance on Ferry field and it is expected that his successor of this year will do the same on Saturday.

Boensch is not only a great punter but is a drop kicker of no mean ability and the Vanderbilt rooters are predicting that if he is given half a chance he will drop a counter over the Michigan posts.

Morgan, Varsity center, is the only man of the Commodores who is not in the very best of condition at the present time. He was slightly hurt in the Henderson-Brown battle on Saturday.

The left wing of the Vanderbilt defense is causing Coach Dan McGugin all sorts of trouble. This flank crumpled easily before the Henderson attack and it is feared that it will prove even less effective against the offense of the Wolverines.

McGugin has promised the Commodore rooters that his will have something special in the way of tricks ready for the Northerners when they appear before the enemy on Saturday. The exact nature of these "fooleries" is not known for McGugin has been drilling them into his men behind closed gates for the past two days. But the rooters are looking for something which has never before been tried when the two teams line up for the whistle this week.

ALUMNUS URGES "MICHIGAN DAY"

"Michigan Day" was the suggestion of Capt. Inman Scalby, '12L, in a recent letter to Homer Heath, manager of the Michigan Union. Alumni organizations in various cities hold regular luncheons on Wednesday and Capt. Scalby believes that by making Wednesday "Michigan Day" in Ann Arbor it will be more readily adopted by other alumni bodies.

"Your monthly dinners should be made the soul of the system," he said. In accordance with this suggestion all of the membership dinners will be held on Wednesday.

Capt. Scalby, who is now practicing admiralty law in San Francisco, also spoke of his "pet hobby" the Michigan Union Boat club. He expects to see the organization become the foundation of a crew which may represent Michigan in other parts of the country.

* OF INTEREST TO WOMEN. *
* Edited by Stylus. *
* * * * * * * * * * *

Because of the Convocation services on Friday, October 24, Mrs. Jordan's annual reception for senior women will be held at 4:00 to 6:00 o'clock Thursday afternoon.

* * *

All women are urged to attend the Convocation exercises Friday afternoon. Classes will be dismissed at 4:00 o'clock, when they will assemble immediately at the following places: Graduates—U. hall; seniors—west of physiological laboratory. Juniors—on North University avenue, east of Ingalls street; sophomores—east of psychological laboratory; freshmen—on North University avenue, east of South Thayer street.

* * *

Sarah Caswell Angell hall was crowded yesterday afternoon at the remarkable five-act vaudeville given at the Women's league membership party. The plays were cleverly conceived and well rendered. The hits of the evening were a western drama entitled "His Week's Vacation," a thrilling tale of western love and daring and some songs by southern minstrels. Miss Emily Gilfillan won applause by the excellent execution of a difficult Russian dance.

* * *

About 125 new members joined the league yesterday, bringing the total up to about 628.
