Vol. XXV, No. 8. ANN ARBOR, MICHIGAN, WEDNESDAY, OCTOBER 7, 1914. PRICE FIVE CENTS

OHIOANS EXPECTED TO PUSH VARSITY

Captain Raynsford's Line to Meet First Real Opposition of Season in Battle Today

BACKFIELD OF ALLIANCE TEAM IS RETAINED ALMOST INTACT

Michigan's Eleven Will Enter Game With Nearly Same Lineup Of Last Week

Mount Union's sturdy little band of football players will oppose the Varsity this afternoon on Ferry Field, and Michigan's line is expected to get its first real test of the year. Last fall the plucky Ohioans played Captain Paterson's eleven on almost even terms, and the Wolverines fought all the way to win a 14 to 0 decision.

While the Varsity is much stronger offensively this year than when Mount Union came North last fall, the Wolverine line has not yet been up against any real opposition, and the showing of the forwards today will be of more than ordinary interest to the coaches.

There will be no change in the Michigan battle front as it faced Case, except that Staatz will start at left end in place of Dunne, who has a bad side from a bump in the Case game. Yost devoted most of yesterday's work to instructing the forwards on breaking through and blocking in the line. The first team was excused from scrimmage, and will take the field today without any actual football since the Case game.

Coach Dawson has his entire line of last year, except for Calvin at right tackle. Captain Gauchat and Carson, the star ends of last season, are not playing this fall, however, and Michigan's sweeping attack around the flanks may prove too much for the youngsters.

The Alliance team retains its backfield combination practically intact. Geltz, who went in for Van Tilburg at left half against Michigan last year, is the only new regular. Wilson at quarter, and Thompson at right half are both remembered by the Wolverine veterans, while Lovell, the punting fullback, is a name which brings up unpleasant memories to the Varsty.

Captain Beck and his men will arrive this morning, and ten substitutes will be in the party which Coach Dawson is bringing north. The work of the team against Washington and Jefferson and Muskingum in its two games this season indicates that Michigan will have a more interesting time than against the last Buckeye team which was here, although the coaches expect to win by a comfortable margin.

The teams will lineup as follows:

Michigan		Mount Union
Staatz	LE	Stambaugh
Reimann	LT	Beck, Capt.
Quail	LG	Peterson
Raynsford, Capt.	C	Thorpe
Whalen	RG	Bletzer
Cochran	RT	Marlowe
Lyons	RE	West
Hughitt	QB	Wilson
Maulbetsch	LH	Geltz
Splawn	FB	Lovell
Roehm	RH	Thompson

Officials:—Referee—W. C. Kennedy, Chicago; Umpire—Leigh Lynch, Brown; Head Linesman—William C. Knight, Michigan.

Time of quarters—12, 10, 12 and 10 minutes.

Game called at 4:05 o'clock.

Annapolis Man Enters Graduate School

Lieut. P. H. Hammond, U. S. Navy, has entered the graduate school, and will take graduate work in the mechanical engineering and naval architecture departments. Hammond is a graduate of Annapolis, and last year was a student of graduate work at Columbia University.

Today and Tomorrow

TODAY

Football, Mt. Union at Ferry Field, 4:05 o'clock.
Union man-to-man canvass smoker, Union, 6:45 o'clock.
Warthin sex hygiene lecture for first year men, medical amphitheater, 7:15 o'clock.

TOMORROW

Comedy club tryouts, Cercle Francais rooms, 4:00 o'clock.
Cabinet club smoker, Union, 7:30 o'clock.
Kentucky club meeting after Cabinet club smoker, Union.

TICKET REQUESTS NOW BEING FILLED

Length of Attendance of Applicant Will Regulate Preference To Be Shown

ORDERS MUST INCLUDE COUPONS

Preparations have been completed so that the athletic authorities are now ready to receive student applications for tickets to the Cornell and Pennsylvania football games. The application cards which were given out with the coupon books must be used in ordering seats, coupon No. 10 being enclosed for the Cornell fray and No. 11 for the game with the Quakers.

Coupons will be honored for seat reservations in either north or south stands, with the exception that adjacent seats for outsiders may not be purchased in the north side cheering section. All orders for seats will be filled by mail with preference given according to the number of years the applicant has attended the university. According to this, a senior who has received his first three years work at some other school will receive the same consideration as any other first year man.

In order to make it possible for two or more students to secure adjoining seats, it is planned to allow those who so desire to mail their application blanks and coupons in the same envelope. In such cases the order will be filled according to the year of the last man's entrance. Stamped and addressed envelopes should accompany all orders, and in case the applicant desires registered delivery, he should enclose ten cents extra.

UNDERCLASS "PEP" SESSIONS DECIDED

Fresh and Sophs To Hold Meetings Friday To Prepare For Contests Set For Saturday

TIMES CHOSEN WILL ABOLISH DISTURBANCES OF PAST YEARS

"M" Men Will Act As Chaperones To Prevent An Overabundance Of Rough Work

Times for the fresh and soph "pep" meetings before the annual fall rush were decided upon by the student council at a meeting last night. Freshmen will assemble at 4:45 o'clock Friday in the west lecture room of the physics building, and sophomores will meet in the same place at 7:00 o'clock Friday night.

In former years, the fresh have met on Thursday, and the sophs the following night. The change was made

(Continued on Page 6)

COUNCIL ARRANGES VARIED BUSINESS

Legitimate Rush Nights at Majestic, and Class Nominations Are Considered by Executives

FREE SHOW TO BE GIVEN AT THEATER DURING COMING YEAR

Tax to Be Levied on Sophomores For Injury Suffered by Freshman

Legitimate rush nights at the Majestic, class nominations, hazing tax levy, and the hazing investigation were subjects considered at last night's meeting of the student council.

The student council has arranged with the management of the Maynard street vaudeville house to have three free shows during the university year. These will come on the evenings of November 6 and 13, after the Pennsylvania and Cornell "Pep" meetings and on Cap Night in the spring. The council tok the stand last night that it would positively not permit any rushes on any other nights during the year.

It was decided to levy the tax on the sophomore classes to defray the expenses caused to Russell Jacobs, of Coshocton, Ohio, who was injured last Saturday night. H. M. Tat, '15, secretary of the council, was ordered to send bills to the treasurers of the second year organizations. Jacobs left for his home Monday, but intends to return to the university next semester. The body of representatives voted to seal all papers and materials in connection with the recent hazing, and file them for future reference, in case of any further breach by the offending classes. Nothing else will be done for the present, because the council did not find any viciousness connected with the affair.

Councilmen were appointed by Pres. A. T. Ricketts, '15E, to take charge of the nominations of class officers, except freshmen. Balloting will be held at different times on Friday by the various classes. President Ricketts emphatically declared that if the student council heard of any "irregular" practices, it would most certainly "get after" the offenders.

Permanent records of the nominations will be kept on specially prepared blanks by the councilmen. Class presidents will have to get in touch with some one of the following men before arranging for their class meetings: K. S. Baxter, '15E, telephone 131—senior lits; H. G. Gault, '15, telephone 1720—senior engineers; H. S. Parsons, '15E, telephone 374—senior laws; C. L. Cross, '15D, telephone 208—senior and junior architects; A. R. Griffes, '15E, telephone 396—senior pharmics and senior dents; W. I. Lillie, '15M, telephone 344—junior engineers; V. D. Barnes, '15H, telephone 144—junior lits and soph lits; R. S. Collins, '16, telephone 475—junior laws and soph medics; T. P. Soddey, '16E, telephone 783—soph homeops and soph dents; A. W. Mothersill, '15, telephone 1592-M—junior medics and junior homeops.

Student council will meet again next Tuesday.

Wireless Station To Operate Often

H. S. Sheppard, instructor in electrical engineering, and in charge of the university wireless station, has devised a schedule whereby, if it can be successfully carried out the university station will have an operator present every night in the week except Sunday. The operators are all experienced men and are perfectly willing to answer all questions of those interested in the science. The station will in all probability be opened to the public during the next week.

MICHIGAN'S MIGHT SOON TO RESOUND

Mass Meeting Will Be Held in Hill Auditorium, Friday Night At 8:00 O'clock

ADMISSION BY TICKETS ONLY

Michigan spirit for 1914-1915 will be uncorked at a giant mass meeting to be held Friday night in Hill auditorium. On the eve of the Vanderbilt game, Michigan rooters will have their initial opportunity to cheer their team while off the gridiron. As the game the next morning is expected to be hardfought and close, the supporters of the maize and blue will have real cause to show all the "pep" they possess.

The usual program of snappy speeches and yells is being arranged and the band will be on hand to liven things up. The Vanderbilt team will be there to show just how formidable they are, while the Michigan squad will try to appall Vanderbilt by the mere number of athletes present. nothing will be omitted to show the Michigan freshmen what a college mass meeting really is.

The meeting will be called at 8:00 o'clock. Admission will be by tickets only. These can be obtained at the Michigan Union Thursday and Friday in exchange for athletic book coupon number 35. The first balcony will be reserved for university women, who can obtain their tickets at a place to be announced later, until 4:00 o'clock Friday afternoon, after which the balcony seats will be offered to anyone.

The list of speakers will be announced tomorrow.

Place Last Row Of Seats On Stadium

By noon today the last row of seats will be placed on the new concrete stadium. One half of the stand has received its coat of waterproof paint, and the exit and entrance tunnels are complete. The iron railings which surround the exits are being placed by a number of iron workers, and will be finished by tomorrow. On Saturday, the paint will be dry and the entire stand thrown open for the first time.

Rabbi Franklin To Speak On Sunday

"The Search For The Highest Good" will be the subject of a lecture given by Rabbi Franklin of Detroit, before the Jewish Students' Congregation next Sunday night, Oct. 11 in MacMillan Hall. This will be the first meeting of the congregation this year and similar meetings will be held every following Sunday night. Services will then be delivered by many of the most prominent rabbis of the country.

MICHIGAN HELPED BY WORK OF BOARD

Re-equalization of Property Results In Increase To University Of $192,000

TOTAL VALUATION SHOWS GAIN

An increase of $192,000 in the annual income of the university has resulted from the re-equalization of property in the state of Michigan, made by the state board of equalization during the summer.

The total valuation of property in the state, according to the tax commissioners, has increased from approximately $2,288,000,000 in 1912, to $2,800,000,000 in 1914, thus showing a gain of some $512,000,000. The university tax, which is figured at the rate of three eighths of a mill upon each dollar, was thus raised from $858,000 in 1912, to $1,050,000 in 1914.

This valuation of property, upon which the university tax is based, in-

(Continued on Page 6)

MEMBERS OF BAND TO PAY OWN EXPENSE TO GAME AT LANSING

Each man in the Varsity band has agreed to pay his own way to the game with M. A. C. at Lansing on October 17. About 40 men will make the trip, assuring the university a good representation before the Farmers.

Due to action taken by the regents, there will be no tag day to help defray the expenses of the band to the Harvard game at Cambridge. This means that the university will not be represented by a student band, unless subscriptions by the alumni are generous enough to meet that stringency. Concerts will be given in Hill auditorium to add to the fund required to send the band to Harvard.

No drum major has been definitely decided upon, and tryouts are still being made. The selection will be made before the M. A. C. game.

SCRUBS GATHER IN ONE LONE COUNTER

Freshman Squad Allows Scrubs But One Tally During Scrimmage Yesterday

HUEBEL STARS IN LONG RUN

Coach Douglas' All-Fresh lived up to expectations in their first brush with the regulars, Yost's second team being able to score only one touchdown in a half hour's work yesterday afternoon. Behind great blocking, "Bob" Huebel got away on a 65 yard run for a score, but the youngsters four times took the ball away from the big fellows on downs, twice holding within their ten yard line.

Smith, Dunn and Schultz were all able to gain on straight football, and once when the youngsters recovered a fumbled punt by Huebel, threatened to score. With the ball on the 25 yard line, Dunn got away for a first down, but a forward pass over the goal line was incompleted, and the Varsity got the ball on the touchback.

Plain, Robbins and Romans all look good on the ends, while Pobanz and Willard are powerful linemen. Douglas showed several other forwards who should improve with practice, and the backfield stacks up well against the second Varsity.

The teams lined up as follows:

Varsity		All-Fresh
D. James	LE.	Robbins, Strough
Du Pree	LT.	Ingham Hollenbeck,
Millard	LG.	Pobanz
Niemann	C.	Campbell, Honan
Norton	RG.	Ewartz
Finkbeiner	RT.	Willard
E. James	RE.	Plain, Romans
Zieger	QB.	Dunn
Cohn	LH.	Raymon, Foster
Hildner	FB.	Smith, Louckes
Huebel	RH.	W. Schultz

Make Experiments For Fellowships

As candidates for the two graduate fellowships in chemical engineering, offered by the Michigan Gas Association, A. S. Irvine and H. T. Hood, '14 C. E., are conducting experiments in the chemical laboratory on porcelain enamel and japanning, and the case hardening of steel with gas as the carbonizing material. These experiments are being carried on in the interests of the Detroit Gas Company, the two candidates having been employed in the industrial department of that concern during the past summer. The present experimental research, coupled with that of the five year weathering test for coal, constitute the required prepartion for the Fellowships.

Graduates Married During August

Rachel E. Sinclair, '09, and Dean M. Ryman, '10L, were married at the home of the bride's parents in Detroit on August 20. Miss Sinclair was president of the Women's Glee Club while at the university. Ryman is practicing law in Atlanta, Ga.

SMOKER TO LAUNCH UNION'S CAMPAIGN

Committees For Memberships To Meet For Discussion of Task Of Man To Man Canvess

APPOINTMENTS DURING YEAR DEPENDENT UPON MEN'S WORK

Those in Charge Hope To Show More Than 300 On Rolls By End of Next Semester

With the smoker tonight at 6:45 o'clock for sub-chairmen and committeemen, will be launched the biggest and most thorough campaign ever conducted by the Michigan Union for members. The actual canvas will only cover tonight and tomorrow night, but in that time every man in the University who is not already a member will be approached. Each member of a committee of 150 will have the names of about fifteen men to see.

Adna R. Johnson, '14-'16L, is general chairman, with the following subchairmen to assist him: K. S. Baxter, '15E, Edward Saier, '15L, H. G. Gault, '15, H. S. Parsons, '15E, P. H. Middleditch, '15E, G. J. Curry, '15M, E. W. Hoffman, '16L, Henry Roberts, '14L, J. R. Darnall, '16-'18M, E. C. Peabody, '15D, L. J. Dagger, Cecil Brown, '15, Whitney Ogden, '15 and Howard Enos, '15E. All of these men, with their committeemen, are expected to be present at 6:45 o'clock tonight at the Union to get their instructions. They will be addressed by Prof. C. B. Vibbert, of the philosophy department, Selden Dickinson, '13-'15L and P. D. Koontz, '14-'16L.

When the number of life membership installments that have been paid this fall are taken into consderation, it will be found that the daily membership totals have practically kept pace with last year's record. In the house canvas conducted a year ago, the membership took a big jump, but in view of the thoroughness of the plans for today and tomorrow's man to man campaign, it is expected that an even greater gain will be registered. For the past two days a committee has been arranging the names of nonmembers in lists, according to streets, as they will be visited by the canvassers.

Reports will be received at the Union tonight of the progress of the committeemen, and the names of those making the best showing will be published tomorrow morning. Upon the showing of the men in this campaign, will depend many of the later and more important committee appointments for Union work.

With over 2800 members at the end of the year, more than 69 per cent of the students of the University were members of the Union. No other college or university organization of the kind in the country, offering voluntary memberships, has such a large percentage of the student body on its rolls.

Menorah Society To Assemble Sunday

Menorah society will hold its first meeting of the year Sunday night at 8:00 o'clock in Newberry hall. Prof. I. L. Scharfman will probably be speaker for the evening.

The society will meet every other Sunday this year. Faculty members and speakers secured from the Intercollegiate Menorah will talk at the various meetings.

Dean K.E. Guthe to Address Graduates

Dean Karl E. Guthe will address the graduate students on several matters of direct importance in the east lecture room of the physics building at 7:00 o'clock tomorrow night. Following the Dean's remarks, the class will elect its member of the student council for the current school year. Every student enrolled in the graduate department is requested to be present.

USHERS

Studentsdesiring to usher at the Penn and Cornell games must not file applications for tickets as coupons must be exchanged for ushers' tickets. A fee will be paid for this service. Sign up at Athletic Office at once.
