WOLVERINE ERRORS LOSE CLOSE FIGHT

Inability to Hit Abis Wild Base Work in Admitting Honors to Cornell; Michigan Fumbles Costly

SISLER ALLOWS FOUR BINGLES AND WHIFFS 15 RED BATTERS

Locals Will Face Same Squad, May 19 and 20, at Ithaca Diamond, on Eastern Tour

George Sisler's pitching might have beaten Cornell, but failure of the Michigan men to hit, run bases and field allowed the Ithacans a lead and prevented the Wolverines from catching up, to play the usual tie game. The score was 2 to 1.

With two men down in the second inning and two men on bases, two Michigan errors let in the Cornell quota of runs and placed the visitors in the lead. Michigan's turn came in the second half of the second inning when with two down, Labadie drew a pass and stole second, scoring from that base when Maltby got a clean hit between first and second. Waltz hit, advancing Maltby to third, and stole second on the next play. Anderson was whiffed, and the side was retired with Cornell having the advantage of a one run lead which she kept for the remaining seven innings.

Sisler allowed the visitors but four hits and struck out 15 of the Ithacans. For the most part they went out in one-two-three order after the second, and when they did not Sisler always pulled himself out of the bad situations, two of which occurred. Regan was found for five hits by the Wolverines and struck out eight men.

Michigan's next crack at the tied squad comes May 19 and 20 when the two teams meet at Ithaca for the remaining two games of the series. With two good men up their sleeve as pitchers, the Ithacan fans are returning to their home tonight with no fear of the Wolverine bunch.

COACH NAMES MEN FOR EASTERN TRIP

15 Players Will Comprise Squad Which Fights in Coming Invasion by Maize and Blue

KEEP BATTING LISTS UNCHANGED

Following yesterday's game with Cornell, Coach Lundgren announced the list of 15 men who will make the eastern trip with the Varsity squad. The nine meets Syracuse, Cornell, Swarthmore and Pennsylvania.

The squad consists of the following men: Captain McQueen, Benton, Arcuiz, Sisler, Ferguson, Davidson, Nichols, McNamara, Maltby, Brandell, Sheehy, Waltz, Labadie, Niemann and Stewart. Arcuiz is the man who will be used as utility catcher, while Niemann and Stewart make up the other substitutes. Niemann for the outfield and Stewart for the infield.

For the first few days of the trip it is unlikely that the coach will make any change in the batting order of the team, the men facing the opposing twirler in the same rotation that has been used in the last two games on the home lot. A shifting up in the order may however be made later in the week.

COMMEND WILSON'S ATTITUDE IN LUSITANIA COMPLICATIONS

Petitions addressed to President Wilson with regard to the international difficulty growing out of the recent Lusitania disaster were circulated at the Cornell-Michigan ball game yesterday afternoon. The petition is being circulated by the Cosmopolitan club of the university and commends the chief executive's attitude with respect to the position of the United States in the present diplomatic crisis and his efforts for the maintenance of peace. It also asks that, in the event that there be need for a decisive conclusion as to "peace or war," he will submit the question to a vote of the entire American people.

It is asserted that more than 400 persons are known to have signed their names to the petition, with the probability that the total number of signatures is much larger. The authors of the petition are intending to circulate it further today and tomorrow, when it will be mailed directly to the president at the executive offices in Washington.

CIRCULATION OF BAD CHECKS STILL ANNOYING MERCHANTS

Passing a worthless check for $7.50 at the Allen clothing store yesterday followed by making an easy escape, adds another mystery for the Ann Arbor police squad to solve. The man who passed the check gave his name as Charles H. Burke and pretended to room at 523 East Madison street.

TO ELECT CAPTAINS FOR SPRING GAMES

Arrange Method of Electing Leaders in Annual Contests This Week

ANOTHER DATE SET FOR TRYOUTS

Presidents of sophomore and freshmen classes will meet at the Union at 10:00 o'clock today to arrange for details in the annual class contests, including the plans for electing leaders in the events.

Clair Ditchy, '15A, and H. S. Parsons, '15E, will meet with the presidents this morning to assist in the arrangement making. These men and members of the committee in charge will be present at Waterman gym from 2:00 to 5:00 o'clock tomorrow afternoon, in order to enable more second year men to weigh in. Tomorrow will be absolutely the last opportunity for qualifying.

The relay tryouts have proved deeply disappointing to those in charge and all interested in the Michigan tradition of the spring competition among the underclassmen. Only 29 sophs ran the required 220 yards, and the frosh have enlisted only 34 men for this event. There must be, according to the rules of the game, 48 contestants entered for each side.

Prevalent ideas that unusual ability is required is fallacious as men of only ordinary ability are able to get away with what is expected in the contests. A last chance for men wishing to qualify and to make the relays successful will be offered at 2:30 o'clock Tuesday afternoon, on Ferry field, south of the clubhouse.

STAGE CAP NIGHT IN OBSERVATORY GLEN

March, Snake Dance, Speeches, and Band Music Help Mark Close of Year

INNOVATIONS TO LIVEN AFFAIR

While the Cap Night festivities this year will have a new setting, the picturesque ceremony, which winds up the first year of freshman life with the casting of his small grey cap on the big bonfire, will lose none of its former charm. Preparations for the event, which will occur on Friday night, May 28, are already under way, under the direction of the student council committee, of which Allen J. Motherall, '15, is chairman.

Owing to the grading work in Sleepy hollow, where the traditional spectacle has been held in the past, it has been necessary to change the location to Observatory hollow, just opposite the observatory and north of the boulevard.

On the evening of Cap Night the seniors, juniors, sophomores and freshmen from all the schools and colleges in the university will assemble in designated places by classes and in the order named will march to the hollow, through streets lighted with red fire. The Varsity band will lead the procession, and snake dances and speeches will be included.

MARTINELLI COMES BACKED BY CAREER

Giovanni Martinelli Lauded in Opera Circles of Europe, England and United States

SINGS IN METROPOLITAN OPERA

Winning an international reputation in four years is the brilliant record of Giovanni Martinelli, who will sing at the Friday evening May Festival concert in place of John McCormack. First attracting attention in Italy during the Carnival in 1911, when he appeared unheralded in "Ernani" at Milan, he has since then met with triumphant success in London and, just a year ago, in New York. Martinelli is but 29 years of age, and a pupil of Guiseppe Mandalini, to whom he gives credit for all his success.

The musical public of Milan hailed him as a new star. Later, he was engaged to create the role of "Dick Johnson" in the "Girl of the Golden West," when it was given for the first time in Italy at the Costanzi theater in Rome. This lead to his appearance at Convent Garden, London, during the season of 1912 in "Tosca," "Aida," "Jewels of the Madonna" and several other operas.

He was, however, soon signed up by Manager Gatti-Casazza, of the Metropolitan Opera company, who heard him in London. Since coming to this country, Martinelli's success had been tremendous, and thousands hail him as a second Caruso.

MANY ENTER INTERSCHOLASTICS

Annual Track Match Will Rank Largest in History of Event

With a total of 40 teams entered, the annual interscholastic meet to be staged on Ferry field Friday and Saturday, May 21 and 22, will rank as one of the largest in the history of the annual track event at Michigan. Since 1898, when Lansing won the meet, an interscholastic has been held every year, with the exception of 1912. This year's competition, because of the number of teams and number of men entered, will be especially keen.

Of the 40 teams entered, nine are sent from outside the state. The foreign teams average more men than the state teams, 53 entries being sent from schools not in Michigan, for an average of nearly six men to the team. A total of 166 men are entered from 31 Michigan schools or an average of a little over five men to a team.

ORANGE BEATEN BY MICHIGAN RUNNERS

Nine First Places Plus Numerous Seconds and Thirds Yield Locals 73 to 48 Triumph in Stadium

SMITH, O'BRIEN, UFER, DONNELLY AND CARROLL CINCH LAURELS

Yesterday's Tournament Second Dual with Orangemen; Donnelly Loses Close 440

Michigan's track team did its share towards upholding the athletic honors of the institution yesterday afternoon, winning the dual meet with Syracuse in handy fashion, 73 2-3 to 48 1-3.

Nine first places and a liberal sprinkling of seconds and thirds effectually put the Orange to route.

One of the prettiest races of the meet was the two mile. Haskins of Syracuse nosing out Donnelly at the tape after a close race all the way. "Red" was barely a yard back, and the finish was a thriller.

Captain Smith and Harold O'Brien literally ran away with the field in the dashes, the Syracuse sprinters trailing all the way. "Eddie" Carroll won the mile in fine style, and coming back in the 880, finished second behind Ufer who won the event.

HUGHITT'S YEARLINGS CRUSHED IN ONE-SIDED GAME OF BALL

Seminary Sluggers Strike No Difficulty Bumping Andrus, All-Fresh Twirler

Michigan's All-Fresh baseball team was completely outclassed in its game yesterday at Orchard Lake. Andrus' delivery proved to be no puzzle to the Polish Seminary sluggers, and when they were finally content to let the game end, the count stood 13 to 4.

Both at bat and in the field, Norton and Walterhouse played real baseball for the yearlings. The latter in one of his trips to the plate clouted the ball for a circuit drive.

Not content with the merciless treatment which the slants of his battery mate were receiving, Lambert of the All-Fresh made a poor showing behind the bat. Five passed balls were his contribution to the Polish score, and he also allowed them to run wild on the paths, eight bases being pilfered on him.

The score by innings and batteries follows:

All-Fresh 0 1 0 0 0 2 0 1 0— 4 11 5
Polish S...2 0 5 1 0 0 3 2 1 *— 13 16 3

Batteries—Andrus and Lambert; Mingka and Dudeck.

The freshmen are to meet the Poles in this city May 26, and they hope to retrieve some of their lost laurels.

Communication

To the Editor, The Michian Daily:—

Announcement was made through your columns that the Hon. G. M. Trevelyan, an authority (?) upon the Balkan question, was to deliver a lecture on, "The Situation in the Balkans." This lecture evidently had the official stamp of approval of the university, as noted by the fact that the speaker was introduced by the head of the history department. The talk was to be purely historical and matter of fact in the exposition of the state of affairs in the Balkans.

It is, however, clear to any person who attended the talk, that the speaker was evidently "making his case" for England, her policy in the Balkans in general and her excuse for helping her ally Servia in particular. He particularly emphasized the fact that the fight of Servia was a fight for democracy with which England was in complete sympathy.

Without going into the controversy any deeper, all that needs to be noted is that the university and university buildings were never intended to be used for "politics" or "partisan purposes," and that the authorities have made themselves clear on this point repeatedly and in no mumistaking terms. Furthermore this is in direct contradiction to President Wilson's policy of neutrality, which we so much admire.
