SISLER TO OPPOSE REGAN ON MOUND

Star Hurlers of Both Nines Chosen for This Afternoon's Game; Anderson May Play Left Field

MICHIGAN HOLDS ADVANTAGE IN NUMBER OF CONTESTS WON

Recent Form of Big Red Team Gives Lundgren's Players Slight Edge

With the honors of the past 20 games about evenly divided between them, Michigan and Cornell clash in the thirty-first of their baseball encounters at 3:30 o'clock at Ferry field today. Each side is sending its best against the other, Regan, the Ithacan star twirler being slated to oppose Michigan, while Sisler, the Wolverines' best will face the Cornellians.

Of the 30 games played between nines representing the two universities since relations were opened in 1890, 17 have been won by Michigan, and the remaining 13 have been captured by the team which hails from the shores of Lake Cayuga. The distribution of runs is even, Michigan leading by the slight margin of six with 170 to Cornell's 164.

Cornell's team has been going slowly, and if Coach Lundgren's training in batting practice has had any effect, Michigan should be able to push over a victory with Sisler in the box. It is likely that Anderson will be the man to fill his place in the outfield, although Niemann may get into the game if a right hander is put into the box by Cornell.

The probable line-ups for the two teams follow: Cornell—Gordon, m; Donovan, 2b; Mellen, 2b; Bills, ss; Clary, c; Keating, 1b; Sutterby, rf; Serpee, lf; Regan, p. Michigan—Sheehy, m; McQueen, 2b; Brandell, ss; Sisler, p; Benton, c; Labadie, rf; Maltby, 1b; Waltz, 3b; Anderson, lf.

TRIANGLES HOLD INITIATION TAKING IN TEN SOPHOMORES

Triangles, engineering honor society, held their preliminary initiation in the engineering arch yesterday at noon. Here the initiates labored many hours burnishing the double triangle, insignia of the organization, which is set in the walk at the center of the arch. Those initiated, who were all from the sophomore class, are: S. M. Abrams, H. E. Carlson, H. L. Carroll, R. W. Collins, L. M. Kishlar, J. W. Neumann, G. A. Scheibel, H. C. Snyder, H. A. Taylor, H. E. Wilson.

The initiation banquet was held in the evening at the Catalpa Inn. Prof. A. E. White, of the chemical engineering department, and Prof. H. H. Higbie of the electrical engineering department were the faculty speakers. H. S. Parsons, '15E, R. C. Jeter, '16E, and H. L. Carroll, '17E, were the student speakers.

SPRING GAMES

- Sunday—Class presidents meet at Union, 10:00 o'clock.
- Monday—Classes elect captains.
- Wednesday—Fresh mass meeting, west physics lecture room, 7:00 o'clock.
- Thursday — Sophomore mass meeting, west physics lecture room, 7:00 o'clock.
- Friday—Tug-of-war across Huron river, 4:05 o'clock.
- Saturday—Relay races and push-ball contests, south Ferry field, 8:30 o'clock.
- Weighing in for tug-of-war teams, Waterman gym, 2:00 to 5:00 o'clock, Monday afternoon.
- Relay tryouts report to Ferry field club house, 9:00 to 12:00 o'clock this morning.

Today and Tomorrow

TODAY

Track meet—Michigan vs. Syracuse, Ferry field, 2:00 o'clock.

Baseball—Michigan vs. Cornell, Ferry field, 3:30 o'clock.

Membership dance at Union, 9:00 o'clock.

Straw hat day.

TOMORROW

Rev. Lloyd C. Douglass speaks on "Exorcism—A Profession," at the Congregational church, 10:30 o'clock.

Rabbi Felix A. Levi speaks before the Jewish Student Congregation, McMillan hall, 6:45 o'clock.

HONOR SYSTEM CONSIDERATION COMMITTEE MAKES UP REPORT

In place of the pamphlet of information, which was to have been issued by the honor system consideration committee of the engineering college, the members are preparing a final report, which will soon be ready.

The report will contain much of the material which has been gathered for the pamphlet, but will be more lengthy and will summarize the findings of the committee.

ITHACA SQUAD HAS MEDIOCRE RECORD

Recent Improvement at Bat Threatens Pitching Averages of Opponents

CORNELLIANS WIN 4, LOSE 10

ITHACA, N. Y., May 14—Cornell started the 1915 season with a 10 to 1 defeat of the Maryland Aggies and then proceeded to strike a batting slump which lost the remaining six games on the southern trip for the Ithacans. Of the seven games which have been played by the team since its return from the south, Cornell has won three and has been beaten by Bucknell, Columbia, Princeton and Notre Dame. The total for the season stands 10 games lost and four won.

The poor hitting of the team is the only thing that is keeping Regan, Bryant, Johnson and Russell from winning incessantly, these men being as good pitchers as have been seen at Ithaca for some time. The last few games have been won by the Cornellians, and with a continuance of the batting which has been shown in these later contests the Red team should again strike its real form. If this hitting can be sustained it bodes ill for the pitchers that face the Cornell team in the future.

Clary, last year's freshman catcher, has taken the place of Schirick behind the bat. Schirick was captain of last year's nine, and his successor is conceded to be even better than he. In addition to capability at receiving, Clary shows a strong tendency to hit, clipping it off at .322 for the season. Captain Donovan at short and Bills at second are the strong men in the infield, forming the duet which cares for the key-stone sack. Bills holds down short in most creditable fashion and also gets time to hit .332 regularly.

Announce Chaperons for Union Dance

White trousers will be in vogue at the membership dance to be held from 9:00 to 12:00 o'clock tonight at the Michigan Union clubhouse. Chaperons for the party will be Prof. G. W. Patterson, and Mrs. Patterson, and Dr. F. H. Waldron and Mrs. Waldron. Pasteboards are now selling rapidly at the Union counter; only 25 having been left last night.

NO 'PEP' YET SHOWN BY UNDERCLASSES

Need 70 More Men in Relays, One Half of Tug-of-War Teams Still Have to Be Recruited

EXTEND TIME OF TRIALS TO INCLUDE TODAY'S ATTEMPTS

Plan Mass Meetings for Wednesday and Thursday Nights

With the annual spring games but a week off, and the time already expired for the official tryouts, no "pep" has been shown yet by either the freshmen or sophomore classes in reporting for the preliminary trials.

While 96 men are needed for the relays, up to date but 26 men have reported for the contests, and more than half of the number needed for the tug-of-war teams still have to be recruited. In view of this, the student councilmen in charge decided yesterday to extend the time to give one more tryout for each event. The last relay preliminary will be held at Ferry field from 9:00 to 12:00 o'clock this morning, the men reporting at the clubhouse. The last opportunity to weigh in for the tug-of-war teams will come on Monday afternoon, from 2:00 to 5:00 o'clock, at Waterman gymnasium.

Description of Teams

For the tug-of-war, three teams selected from the freshmen and sophomores, who report to be weighed in, will enter the contest. The battle will be staged at the point between the gas plant and Argo dam, west of the Michigan Central depot. There will be 50 men on each team. The heavyweights must weigh more than 180 pounds to qualify, the middleweights between 155 and 160, and the lightweights 135 pounds. Every freshman and sophomore is eligible to take part in the contest, which will start at 4:05 o'clock next Friday afternoon.

The relay obstacle races, in which the runners dive through barrels and clamber over fences eight feet in height, together with the push ball contest, will begin at 8:30 o'clock Saturday morning. Three relay teams, of 16 men each will compete in the races, while push ball, being a "free for all," will give all the men in both classes an opportunity to take part in the big underclass fight. The student council will announce the names of the men who make the relay and tug-of-war teams, on Thursday morning.

Classes Will Select Captains

In order to arrange for selecting the captains for the various events, a meeting of all the fresh and sophomore class presidents will be held at the Michigan Union at 10:00 o'clock tomorrow morning for a conference with the student councilmen in charge.

According to the plan of rotating the offices, the fresh lits will choose from their ranks the captains of the lightweight tug-of-war team, the second relay team, and the push ball leader. Fresh engineers will choose the captains of the heavyweight and middleweight tug-of-war teams, and of the third relay team, while the combined fresh classes homeops, dents, pharmics and architects choose the captain of the first relay team.

Captains of the soph teams will be

(Continued on page 4.)

Publication Board Will Meet Monday

Members of the board in control of student publications will meet Monday afternoon to appoint managing editors and business managers of The Michigan Daily and the Gargoyle for 1915-'16. It is also expected that the board will consider the tentative date for campus elections, which was set for Wednesday May 26 by the directors of the athletic association, and passed upon unofficially by the officers of the Michigan Union.

JOHN M'CORMACK UNABLE TO APPEAR

Famous Irish Singer Forced to Cancel Festival Engagement For Friday May 21

GIOVANNI MARTINELLI WILL SING ON EVENING LEFT OPEN

Successor to Caruso Is Leading Tenor of Metropolitan Opera Company

Giovanni Martinelli, the leading tenor of the Metropolitan Opera company, will appear at the Friday night May Festival concert, taking the place of John McCormack, who has been forced to cancel his engagement here on account of a breakdown in his health.

Although it has been known for some time that Mr. McCormack has been suffering from ill health, it was thought by his manager that he would be able to fulfill his engagement in Ann Arbor. But to guard against any unforseen setback in his condition, the May Festival management made tentative arrangements with Mr. Martinelli, in case Mr. McCormack was unable to be present. Definite notice that Mr. McCormack would not be able to come to Ann Arbor was received yesterday, and immediately the May Festival authorities got in touch with Mr. Martinelli and made the necessary final arrangements with him.

Mr. Martinelli sprang into prominence a few years ago at Covent Garden, London, and at LaScala, Italy, and was invited to join the Metropolitan Opera forces two years ago when the management of the institution was looking for a successor to Caruso, whose frequent indispositions made it apparent that a successor would be needed shortly. For a year he alternated with Caruso in the leading operatic roles, and with Caruso's departure in the middle of the present operatic season, stepped automatically into his place as leading tenor of the Metropolitan Opera company.

MEDICAL SCHOOL ADOPTS NEW A, B, C, D, E, MARKING SYSTEM

Change Will Take Effect with June Examinations; D to Be Removable

By a recent decision of the faculty of the Medical School, a new marking system has been adopted for use in all courses in the school. The new ruling will take effect at the final examinations of this semester.

The system adopted is similar to the one in use in the literary college—A, B, C, D, E, except that D is a conditional mark which may be removed by examination. This is practically the same method of grading as is used in the engineering college.

WIRELESS CHESS MATCH STILL UNDETERMINED LAST EVENING

Play in the wireless chess match between the University of Michigan and Ohio State University was resumed at 7:45 o'clock last evening. Ohio's last move at 2:00 o'clock Thursday morning was known only to Operator D. A. Nichols, and was kept secret from the members of the Michigan team until the opening of play last evening.

The Michigan team is hopeful of bringing the game to a close during the night with a victory in the first game of chess ever played through by wireless telegraphy.

Senior Medics Visit Pontiac Asylum

Senior medics leave at 7:05 o'clock this morning for Pontiac, where they will go through the insane asylum. They will return this evening. Toward the last of the month the class expects to visit Parke Davis & Co., in Detroit.

THIS AFTERNOON'S ATHLETIC PROGRAM

Michigan-Syracuse Outdoor Track Meet.

TIME—2:00 o'clock.

Officials

STARTER AND REFEREE—B. A. Maris.
CLERK OF COURSE—Sid Millard.
ASSISTANT CLERKS—Al Stoll, John Sanders, Robert Franz, J. S. Burrows.
TRACK JUDGES—Prof. W. F. Verner, Don C. May, Prof. C. W. Cook, W.B.Palmer, Charles Barton, William Cochran.
INSPECTORS—E. E. Helmstetter, A. W. Deas, Jr., Prof. E. H. Kraus, John B. Parker, Kemp S. Burge, E. F. Connely.
ANNOUNCER—John R. Watkins.
SCORERS—T. H. Tapping, F. M. Church, Edward P. Wright.
TIMERS—Dr. George A. May, Prof. Evans Holbrook, C. R. Hall, Tom Keane, Steve Farrell.

Michigan-Cornell Baseball Game

TIME—3:30 o'clock.
BATTERIES—Michigan, Sisler and Benton; Cornell, Regan and Clary.
UMPIRE—Egan.

VARSITY NET MEN IN OBERLIN MATCH

Varsity Quartet Will Face Strong Competition on Eastern Invasion

OHIO COLLEGE BOASTS STAR

Michigan will meet Oberlin today in the first of the matches which the Varsity tennis team is playing on its eastern trip. The four members of the squad left Ann Arbor yesterday afternoon for Cleveland and went on to Oberlin this morning.

Last Saturday Oberlin and Ohio State broke even, each winning three matches. Wilder, the star of the Oberlin aggregation, defeated Carran, Ohio collegiate champion, two sets out of three. Wilder will in all probability face Captain Reindel in the singles. He is one of the products of California, the home of many of the country's best net men. His strong point lies in his service, but it was clever overhead play and steadiness which finally won out for him last week. Wilder is a former teammate of ex-champion McLoughlin.

The other players on the Oberlin team do not come up to the standard of the first man. Dissell, who pairs with Wilder in the doubles, is rated next best, the Andrus brothers completing the quartet.

The Michigan team goes from Oberlin to Pittsburg, where it will meet the University of Pittsburg Monday and Carnegie Tech Tuesday.

INSTRUCT RIFLE MEN AT START OF SEASON ON OUTDOOR RANGE

"Safety First" methods are being pursued by the Michigan Rifle club, and as a consequence a meeting for instruction in outdoor shooting will be held in room 311 of the new engineering building at 7:30 o'clock Monday night. Major Wilson will address the gathering which must be attended by every man who expects to use the outdoor range.

In addition to the lecture of instruction which will be given by Major Wilson, the club will hold its annual election of officers. The men elected at this meeting will act as the officials for the club during the next college year. At this same time elections to the executive board will be held.

ORANGE AUDIENCE WILL USE STADIUM

Mile, Two-Mile, and Relay Races to Finish before Concrete Stand at Syracuse Contest

DASHES AND HURDLES WILL BE STAGED ON OPPOSITE COURSE

Kraenzlein, Former Pennsylvania Man and Michigan Coach, Here to Witness Meet

Michigan track followers will watch the Syracuse meet from the big concrete stand this afternoon, instead of from the north bleacher as has been the custom in the past.

Coach Farrell announced last night that the mile, two-mile and relay would all start and finish on the south side of the track. The quarter and half will both begin behind the west bleacher and come down past the crowd in the concrete stand. The dashes and hurdles will start on the straightaway opposite the crowd, the coach stating that this afforded a much better view of the races. The north bleacher will not be uncovered.

The Syracuse team is expected to arrive in Ann Arbor this morning. They were housed in Detroit last night, reaching that city at noon.

Kraenzlein, the former Pensylvania athlete and Michigan coach, has been watching the track squad work out the past week and will witness the meet this afternoon. Kraenzlein set a mark of more than 24 feet in the broad jump, and has tied the world's mark over the low hurdles.

Coach Farrell announced yesterday that the track was very fast, and in as good condition as it ever has been during his track experience at Michigan. The squad took a rest yesterday afternoon, none of the men putting in an appearance. The men are all in good shape with the exception of Max Robinson. Max has been troubled with a bad leg, but expects to start the quarter this afternoon. He will also run a lap in the mile relay race.

Syracuse has a formidable track squad and comes to Ann Arbor 20 strong, looking for victory.

ALBION SUFFERS DEFEAT AT HANDS OF FRESH TENNIS MEN

Coons and Stebbins Break Tie Score by Winning Rubber in Doubles

Michigan's All-Fresh tennis squad succeeded in taking two matches in both the singles and doubles from the Albion college aggregation yesterday afternoon. Both teams were tied in the singles and doubles matches and extra doubles were required for the yearlings to get the decision. In the singles, Stocking and Coons succeeded in winning their games, while in the rubber, Coons and Stebbins put the doubles on ice for the freshmen.

The summaries follow: Singles—Fox (A) d. Steketee (M), 6—2, 6—2; Goodrich (A) d. Stebbins (M), 6—3, 6—4; Stocking (M) d. Dawe (A), 6—1, 6—2; Coons (M) d. Rood (A), 6—2, 3—6, 6—1. Doubles—Coons and Stebbins (M) d. Rood and Fox (A), 6—2, 6—2; Goodrich and Dawe (A) d. Steketee and Stocking (M), 6—3, 6—2. Rubber—Coons and Stebbins (M) d. Goodrich and Fox (A), 3—6, 6—4, 6—1.

TODAY'S STRAW HAT DAY.

—o—

It is here. Get that straw out. Or buy one. Wear it. Be cool. Be happy. Don't falter. Don't put it off. Act now. Listen to logic. Treat yourself. Come one. Come all. Come freshmen. Obey that reason. There's an impulse.

Campus in Brief

—Mr. H. S. Sheppard, of the electrical engineering department, gave a talk on, "Wireless Telegraphy," before the Detroit-Ann Arbor branch of the American Institute of Electrical Engineers last night in the engineering building.

—Painters from the university shop are putting a new coat on the economics building. Work probably will be finished within another week.

—Dr. Louis Kahlenberg, director of the chemical department at the university of Wisconsin, spoke in the chemical amphitheater Thursday night on the subject, "A Neglected Principle of Chemistry and Some of its Applications."

—Tau Delta Sigma, architectural honor society, held its initiation dinner at Foster's, Thursday night. Prof. A. Tealdi, of the landscape design department, and Prof. H. R. Cross, of the fine arts department, were the principal speakers. The following were initiated: Kathleen Cutting, grad., Fred A. Brinkman, '18A, George B. Hammond, '16A, Alexander McCall '18A, and Arthur Motinger, '16A.

10c rents a kodak today. Lyndon.

.300 MARK PASSED BY TWO REGULARS

Exclusive Sister, Michigan Nine Bats .166 Since Return from Southern Trip

EVERY AVERAGE SUFFERS SLUMP

Exclusive of the batting of George Sisler, the Michigan team is hitting an average of .166 since its return from the south. Including the marks of that gentleman, the nine is batting .183. The latter average is about 50 points below the lowest average of the eastern teams which Michigan will meet on the sea-board trip. The total number of times at bat since the southern trip is 207, while the 38 hits poked out in that time gives an average of .183.

The average for the year has suffered a severe drop as a result of the falling off on the home lot, the team hitting for the year averages .252, whereas it counted up to .263 after the seven games played in Texas. Only two regulars are batting above .300, and only six men who have played in a Varsity game have average above that figure.

The names, position, number of games played in, number of times at bat, number of hits, and average of every man who has played in a regularly scheduled game follow:

Player.	Pos.	Games	AB	H	Avg.
Nichols, p.		2	4	2	.500
Barshman, c.		2	5	1	.200
Davidson, p.		5	15	6	.400
Sisler, p.		12	42	18	.346
Boyton, c.		12	51	17	.333
Niemann, lf.		3	6	2	.333

Ferguson, p.		3	6	0	.000

ORGANIZE INTERCLASS TENNIS TOURNAMENT AT FERRY FIELD

With the appointment of E. P. Wright, '18, as interclass manager, the first step has been taken in completing arrangements for an interclass tennis tournament to be inaugurated soon at Ferry field. Four managers, representing the freshman, sophomore, junior and senior classes, will be appointed within a few days by a committee consisting of Wright, Dr. Lee, and Director Stowe.

The tourney will consist of regular singles and doubles matches between the various aspirants to determine the campus championship. Members of the Varsity and All-Fresh team will not be eligible to compete in this tournament.

COMEDY CLUB DISCUSSES PLANS

Election of New President Will Take Place Next Week

Louis K. Friedman, '15, retiring president of the Comedy club, welcomed the new members at a meeting held yesterday afternoon in the Cercle Francais rooms. The election of the new president was postponed until the meeting which will be held next week. All the new members gave short talks in which they presented their views on the Comedy club.

Director E. A. Sachs, '17, has appointed E. A. Hartelme, '17E, stage manager and John E. Sanders, '17L, property manager for the coming year. W. Peddicord, '16L, has appointed Gerald Rosenbaum, '17, publicity manager.

SOPH ENGINEERS AND JUNIOR LAWS WIN INTERCLASS GAMES

Both Teams Run Up Big Scores before Contests Close; Martin Hurls Good Game

In games featured by the run getting of both the winning teams, the soph engineers and the junior laws triumphed in the interclass baseball series yesterday.

Martin, the star pitcher of the soph boilermakers, lived up to his record, as the third year men could do nothing with his delivery when a hit was needed. After the first inning, he had things all his own way, and in addition he got a home run. Pettibone robbed Krause of a sure triple by a leaping catch of his liner. The line-up and score follows:

Juniors—Pettibone lf, Richards 3b, Bricker 1b, Vogel rf, Gore cf, Buell ss, Halloway 2b, Toisy c, Wickham p.

Sophs—Pollock ss, Bowles 3b, Martin p, Paisley 1b, Krause c, Whalen 2b, Dignan cf, Sevin lf, Thomas rf.

	1	2	3	4	5	6	7	R	H	E
Juniors	2	0	0	0	1	0	0	3	6	1
Sophs	1	2	1	2	2	0	*	8	5	2

By hitting the ball to all corners of the lot, the junior laws smothered the freshmen by the score of 17 to 1. The Rheny and score follows:

Junior laws—Martin 2b, McCall p, Brownell ss, Rowan 2b, Stevens 1b, Brown lf, Thomas c, Scott rf, Thorbell cf.

Fresh laws—Alexander ss, Burns cf, Toles p & 2b, Ryback 2b, Wall rf, Hewitt 1b, Archi c & p, Hall 3b, Cowlin lf, Kemper c.

	1	2	3	4	5	6	7	R	H	E
Freshmen	0	1	0	0	0	0	0	1	4	7
Juniors	3	5	1	0	0	8	*	17	19	4

ALL-FRESH MEET POLISH TEAM

Squad Leaves for Orchard Lake This Morning for Hard Battle

Michigan's All-Fresh baseball team will leave for Orchard Lake at 7:05 o'clock this morning on the Ann Arbor railroad.

The following men were selected by Coach Hughitt to make the trip: Barbeau, Field, Piggott, Lambert, Walterhouse, Norton, Jippel, Blaloskey, Riddle, Drummond, Andrus, Miller, Golden, Brown. The return trip will start at 6:16 o'clock.

The Poles have an exceptionally good team this year and a hard battle is expected. For many years this school has boasted of one of the strongest aggregations from the smaller schools in this part of the country and the yearlings expect the hardest battle of the year.

QUALIFY FOUR TEAMS FOR GOLF

Two Lit, Medic and Law Squads Will Compete in Finals of Tourney

Those who qualified in the preliminary matches of the interdepartment golf tourney are:—Bohling and Borcherdt, lits; O'Connor and Marks, medics; Williamson and Nicholson, laws; Palmer and Stearns, lits. The final matches will be played May 15, '16, 17. One lit team will compete against the medics, the other against the laws. The winning teams will then play the final match for the department championship.

All matches must be completed by Monday night and will be for 36 holes. A cup is to be given to the winning team and there is a strong possibility that numerals may be awarded also.

In about two weeks a campus championship tournament will be held. Many candidates are expected to enter. The exact date has not been set.

Parents Take Robert F. Miller Home

Robert F. Miller, '18A, who sustained a fractured nose in an interclass baseball game Thursday afternoon, was taken to his home in Jackson yesterday by his father and mother.

chosen as follows: from the soph lits, heavyweight tug-of-war team, and pushball leader; soph engineers, middle and lightweight tug-of-war, and third relay captain; fresh laws, second relay captain; combined departments, first relay captain.

In order to choose the captains, class meetings will be held on Monday, the announcements to be made by placard. The mass meeting for the freshmen will be held Wednesday night at 7:00 o'clock in the west physics lecture room. "Tommy" Hughitt and "Bill" Cochran will be present to give "pep" talks. The soph mass meeting will be held Thursday night at the same time, the speakers being "Jimmie" Raynsford and "Eddie" Sader. "Hap" Hall will have a prominent part in the proceedings on both nights.
