150 DIE WHEN FIRE, EXPLOSION DESTROY MINE

Millfield, Ohio, Coal Company Shaft Wrecked by Blasts; 65 Bodies Counted.

MINE OFFICIALS KILLED

State Inspector Says Remote Chance Some Miners May be Still Alive.

(By Associated Press)

MILLFIELD, O., Nov. 5.—Between 150 and 160 persons were killed by gas explosions and fire in the No. 6 mine of the Sunday Creek Coal company here today, Andrew Gilman, state mine inspector, told Pearl Hill, bookkeeper for the company, after traversing the entire mine tonight.

Gas Through Whole Mine.

Hill said that Gilman went entirely through the main shaft of the mine and that he reported seeing bodies everywhere, but not a sign of life. Gilman, according to Hill, said that there was a remote possibility some of the trapped men may have taken refuge in tunnels leading to the main shaft and escaped death, but he considered this barely possible.

Seven Officials Are Killed.

At least seven of a party of officials of the mine and their guests, in the mine at the time of the explosions, are known to be dead, officials said. The known dead are:

W. E. Tytus, Columbus, president of the Sunday Creek Coal Co.

P. A. Coen, Columbus, vice-president of the company.

H. H. Upson, assistant to Tytus.

H. E. Lancaster, Athens, chief engineer of the mine.

Walter Hayden, Athens, mine superintendent.

Joseph Bergen, Zanesville, superintendent of the Ohio Power Co. at Philo, O.

Robert Parsons, Zanesville, superintendent of the Columbia Cement Co., division of the Pittsburgh Glass Co.

Hanway Is Selected as Engineering Head

Piling up 138 votes out of a total of 283, William Hanway defeated Oil Dobson for the presidency of the freshmen engineering class yesterday morning. A larger vote than anticipated was recorded at the election.

Mason Barlow with 151 votes was chosen vice-president over Virgil Williams by a margin of 21 votes. The secretaryship went to Fred Collins, who defeated Edward Cooper by a 142 to 131 count. Philip Dalsimer was returned the victor over William Hertzog for the office of treasurer by exactly the same vote as recorded in the secretarial race.

Two students were selected to the Honor committee, one to serve for one year, and the other, for two. Richard Wilcox was selected to the later position as a result of his 159 to 116 victory over Grave. Four men ran for the one year term office, which Robert Cass, with 122 votes, won. The defeated candidates with their respective vote follow: Vandeburg, 63; Little, 61; and Blackwell, 26.

Harvard Game To Be Broadcast by Union

Three radios will be installed Saturday in the Union for the use of students who wish to hear the play-by-play account of the Michigan-Harvard game as it is broadcast from the stadium in Cambridge.

One of these radios will be placed in the ballroom of the Union which will be occupied by the Catholic students' party. The other two will be placed on the third floor of the building, one in the hall, and the other in one of the large rooms.

POLAR COMMANDER TO SPEAK MONDAY

Byrd Address Inaugurates Series Sponsored by Oratorical Association.

FILMS WILL BE SHOWN

Rear-Admiral Richard E. Byrd, polar explorer and aviator, will open the Oratorical association lecture series at 8:15 o'clock Monday night in Hill auditorium. He will speak on his trip to the South Pole.

Admiral Byrd will illustrate his lecture with nine reels of films, all of which, except that depicting the flight to the Pole, have never been shown before in Michigan. He will be accompanied by his pet fox-terrier, "Igloo," who was with him on his trips to the North and South Poles. While in Ann Arbor, Byrd will be the guest of Prof. William H. Hobbs, of the geology department, who aided in arranging the lecture.

Prof. Lawrence "Larry" Gould, of the geology department, was second-in-command of the expedition which Byrd led into the Antarctic regions for an 18-months' stay. A great deal of valuable meteorological and geological data was obtained, and, with the aid of the airplanes, a large portion of formerly unexplored and undiscovered territory was charted.

BATES DISCUSSES FEDERAL PRISONS

Bureau Director Stresses Penal Needs Before Conference.

"There are three requisites necessary for the proper handling of federal prisons, which the national prison board is today striving to meet, namely proper buildings, well trained personnels, and opportunity for the prisoners to work," Hon. Sanford Bates, director of the bureau of federal prisons, told delegates to the Michigan state conference of social work in an address last night before the opening general meeting of that organization, which is holding a three day session here.

The criminologist declared that last year had seen important steps taken in an effort to gain these objectives, due to the passage of seven bills dealing with prison reform by Congress.

The Weather

(By Associated Press)

Partly cloudy and continued cold Thursday; Friday mostly fair, not quite so cold.

HEAVY VOTE GIVES G.O.P. CLEAN SWEEP IN ANN ARBOR POLL

Local Balloting Unusually Large; Twice Defeated Sewer Bond Approved.

TUOMY WINS CLOSE RACE

Reapportionment and Cigarette Amendments Rejected, Other Three Are Accepted.

One of the heaviest elections in recent years Tuesday saw Republican candidates sweep to victory, putting into office every candidate that had been nominated on county, state, and congressional tickets.

More than 16,000 electors cast ballots in the 35 precincts of Washtenaw county, it was said yesterday, with the victorious candidates being elected to office by large majorities over their Democratic opponents.

Vote Big in Ann Arbor.

In Ann Arbor, the vote was unusually heavy, 6,259 casting votes. The major issue, the proposed $350,000 sewer bond issue, defeated on two previous occasions, was approved by almost a 70 per cent majority, 4,294 voting for the measure and 1,995 against.

Pluralities of more than 4,000 were given Albert J. Rapp, seeking the prosecutor's office, and Jacob B. Andres, candidate for sheriff. Andres received 9,831 ballots as against 5,746 for his Democratic opponent, Daniel B. Sutton, while Rapp, with 10,203 votes, overwhelmed Robert H. Cavanaugh, who received 5,441 votes.

Drain Race Is Close.

The closest race was for the office of drain commissioner. Cornelius W. Tuomy, with 8,343 votes, had a plurality of only 1,207 votes over his Democratic adversary, Harrison H. Caswell.

In the race for the office of county clerk, Ciarramon L. Pray, Republican incumbent, defeated Leonard C. Sauer, Demberat, by a vote of 9,161 to 6,453.

Frank H. Ticknor, incumbent, was re-elected county treasurer over Miss Sylvia Bradshaw, Democrat, by 8,998 to 6,335. John S. Cummings, incumbent, was returned to office as register of deeds, defeating John S. Wagner, Democrat, by a vote of 9,402 to 5,844.

FISHER TO DISCUSS COLLEGIANS' FAITH

Ann Arbor Pastor Will Attempt to Approach Delineaments.

An attempt to approach the delineaments of a religion suited to the tastes of the college aged youth will be made by Dr. Frederick B. Fisher, pastor of the Methodist-Episcopal church of Ann Arbor and former bishop of India, who will address an All-Campus forum at 4:15 o'clock today in room D Alumni Memorial hall.

Dr. Fisher draws his convictions on religion from a wide range of experience which qualifies him as a liberal thinker on theological matters. His long period of service among Orientals in India especially, and also in China and Japan have given him a great appreciation of the religions of these lands.

Harvard Guard Hurt In Signal Drill Mud

(By Associated Press)

CAMBRIDGE, Mass., Nov. 5.—A muddy field added another injured player to Harvard's long list today. George Talbot, varsity guard, slipped while running through a signal drill, injuring his leg to the extent that he will be unable to play against Michigan Saturday. George Kuehn, lineman, also was discovered to have an injured back, which will keep him out of play for the remainder of the season.

STATE REPUBLICAN STRENGTH REMAINS

Victory is Unique When Other Strongholds Fall to Democrats.

WETS EMERGE AT TOP

(By Associated Press)

DETROIT, Nov. 5.—The Republican party of Michigan had emerged today from its most severe test in nearly 14 years, with a victory remarkably decisive in view of a nation-wide drift that toppled the standard-bearers of their party in other states.

Never since the day of Woodridge N. Ferris has the head of the Republican state ticket been subjected to so severe an attack.

Wilber M. Brucker, the Republican governor-elect, was the target for a mass assault which was aided by national conditions. William A. Comstock, his Democratic opponent, stood upon a platform of prohibition reform, in a year when two ultra-dry Michigan congressmen were defeated by wets. Brucker won the governorship by a majority of slightly more than 100,000. The last time so small a lead was accorded a Republican gubernatorial candidate was in 1910, when Former Governor Albert E. Sleeper won with a margin of 99,033 votes.

Senator James Couzens won by almost 400,000 votes. The Republican sweep, close to normal percentages of the vote cast, extended through the state slate, into most of the congressional districts and even into the legislative contest.

With leads that placed them far out in front of their Democratic advesaries the Republican state slate made up of Frank D. Fitzgerald for secretary of state, Howard C. Lawrence for state treasurer, O. B. Fuller for auditor-general, Paul W. Voorhies for attorney-general and Henry M. Butzel for justice of the supreme court was named.

With Wayne county and a handful of industrial county allies on one side and the out-state districts on the other, there was a sharp split on the proposed legislative apportionment amendment. After see-sawing back and forth under the pressure of tremendous "No" votes outside of Detroit and Wayne and overwhelming votes for the proposal in the metropolitan area the out-state precincts finally gained control and sent it down to defeat. The state cigaret tax, providing for a levy of one cent on ten cigarets, was in unfriendly territory everywhere.

Harvard-Bound Men to Receive Parting Ovation

5,000 Undergraduates Will Gather at 4 o'clock in Front of Angell Hall to Fete Michigan Gridmen.

"On to Harvard and Victory" will be the war-cry of some 5,000 Michigan students at 4 o'clock this afternoon when they assemble in front of Angell hall to do honor to their unbeaten football team as it leaves for the widely heralded invasion of Cambridge.

The determined Michigan spirit—that the Maize and Blue must triumph over the Crimson—has been fast gaining weight during the past week. Today it will be expressed through famous Michigan songs and yells in a historic fashion. The fighting Wolverines will be cheered on to victory at an outdoor pep-meeting, a parade up State street, and a send-off at the Michigan Central depot—in all, a demonstration of support unprecedented in several college generations.

Saturday, Michigan will be the standard bearers for the West in an intersectional clash that will hold the sporting limelight of the day. The Wolverine's opponents will be no "gentle sons of Harvard" but a gang of battling Irishmen. Michigan will have to give its utmost to win. Today, the student body can play their part in setting what the Grand Old Man of football—"Hurry-Up" Yost—calls "the vast background to victory" by endowing the Maize and Blue gridders with the real Michigan spirit—that spirit that wins.

EXPECT RECORD-BREAKING CROWD.

A record-breaking crowd indicated from the preparations made for the demonstration. It has been scheduled for a time that will interfere with few classes and other activities. Rain, shine, or snow, the send-off will be held. In case the weather is too bad for the outdoor rally, Hill auditorium will be utilized.

The Varsity squad of 38 men will arrive from their last pre-Harvard practice in Ann Arbor at about 4:15 in two open trucks which will be driven up and parked in front of Angell hall so that the crowd may have an uninterrupted view of the gridders. State street will be blocked off from Williams to Jefferson streets and given over to the enthusiastic rooters. Pathe and M. G. M. sound-news cameramen will record the sight and sound of the revival of Michigan spirit.

RUTHVEN WILL SPEAK TO CROWD.

Pres. Alexander G. Ruthven, Coach Harry Kipke and Capt. "Ducky" Simrall will address the crowd from the large stone blocks at each end of the Angell hall steps. Every effort is being made to have loud speakers installed on campus so the crowd may hear the speeches without difficulty.

Twenty minutes before train time the trucks bearing the squad will move off toward the Michigan Central station, lead by a police escort and the band, with the students forming a parade in the rear. At the depot cheerleaders will help the rooters stage a final demonstration and the band will play one last selection before following the gridders into the train.

SLOCUM SELECTED AS '34 PRESIDENT

Mathews, Emma Mann, Margaret Allen Win Elections.

James Slocum was swept into the presidency of the freshmen literary class by a margin of 68 votes at the class elections yesterday afternoon. Robert Leary, the defeated candidate, received 150 votes as against the 218 polled by Slocum. The margin of victory in the race for the other three class offices varied from 71 to 66 votes.

Emma Mann was chosen over Helen Herath for the vice-presidency of the class. The respective vote was 219 to 148. Margaret Allen will be the secretary for the coming year as a result of her 217 to 151 victory over Mary White. Russell Mathews piled up 217 votes to win the treasurership from Kenneth Wood, who received 143.

Radio Today.

Dr. Donald King, of the surgery department, a member of the staff of the University hospital, will discuss "Broken Bones" today during the University radio hour. The Midnite Sons quartet will furnish the musical numbers.

Three Reported Slain in Rows at Elections

(By Associated Press)

LOUISVILLE, Ky., Nov. 5.—Three men were killed and another wounded in widely scattered election rows in Kentucky today as ballots were cast for United States senators and representatives.

Two fatalities, those on Stinking Creek in Knox county, were reported to have been the direct result of election fervor, a Democratic worker having reproached a farmer for voting the Republican ticket.

DEMOCRATIC GAINS SAP G.O.P. POWER IN EAST AND WEST

Republican Party's Washington Reign Challenged in Both Senate and House.

ROOSEVELT RE-ELECTED

Democrats Win Governorships in Ohio, Massachusetts, Connecticut, Idaho

(By Associated Press)

Triumphant Democracy undermined Republican dominance in Congress and swept into power in state capitals of East and West alike in Tuesday's elections.

Never in the past 12 years had the Republican reign on Capitol Hill in Washington been so sharply challenged. For awhile it appeared that an actual tie might result in the Senate and a division almost as finely balanced in the House.

Republican Beaten Throughout.

With Republican senators and representatives turned out right and left, governorships held by the party also capitulated to Democrats in Ohio, Massachusetts, Connecticut and Idaho. Republican administration lost as well in Oregon, to an independent candidacy, and in Minnesota, to the Farmer-Labor nominee.

Topping its triumph the Democracy re-elected Franklin D. Roosevelt in New York by the most startling plurality on record, upwards of 725,000. It battered precedents to pieces in Maryland in sending Gov. Albert C. Ritchie into his fourth consecutive term.

Pinchot Wins Chair.

While both of these prohibition repealists were heightening their margins, Pennsylvania was sending Gifford Pinchot to the governor's chair for a second time. A booster of the national dry laws, his candidacy was fought by fellow Republicans who favored the anti-prohibition candidate on the Democratic-Liberal ticket, John M. Hemphill.

Forces opposed to the present dry laws hailed the vote results, especially the weighty opposition to prohibition registered in Illinois, Rhode Island, and Massachusetts referenda, after pressging repeal.

UNIVERSITY PLANS HUTCHINS SERVICE

A memorial meeting for the late President Emeritus Harry Burns Hutchins will be held by the University at 3 o'clock, Friday afternoon, Nov. 28, in the Lydia Mendelssohn theater.

President Alexander Grant Ruthven will preside and the speakers on the program will be President Emeritus William Oxley Thompson, of Ohio State university, Earl D. Babst, Ph.B., '93, Hon. M. A., '11, representing the alumni of Michigan, Shirley W. Smith, vice president and secretary of the University, representing President Hutchins' colleagues in the administration, and Prof. Edwin C. Goddard, representing the faculties of the University.

The meeting is being arranged in accordance with the established custom of the University Senate in memorializing its deceased members.

Forget Everything Else; Send-off the Wolverines

Samuels, L. T. LaJeunesse, L. G. Cornwell, R. G. Hofer, L. E. Newman, Q. B. Simrall, R. H. Daniels, L. E. Hudson, F. B. Wheeler, L. H. Morrison, C. Cox, L. E. Auer, R. T.

Be in Front of Angell Hall at 4 O'clock This Afternoon

DAILY OFFICIAL BULLETIN

Publication in the Bulletin is constructive notice to all members of the University. Copy received at the office of the Assistant to the President until 3:30, excepting Sundays, 11:30 a. m. Saturday.

VOL. XLI. THURSDAY, NOV. 6, 1930. NO. 54

NOTICES

Members of the Faculties, Administrative Officers, Office Employees: The Faculty Directory has this year for the first time been checked with the official records for titles, and in several other respects shows a marked advance over previous issues. Since the central offices are using the Directory as an official list, it is particularly desirable that any errors or omissions be reported at once to the Editorial Office, 108 Mason Hall (Campus exchange 374).

University Lectures: Dr. Edward Kremers, Professor of Pharmaceutical Chemistry and Director of the course in Pharmacy in the University of Wisconsin, will deliver two lectures on Wednesday, November 12, as follows: At 4:15 p.m. in the Natural Science Auditorium, on "The Apothecary in Literature," and at 8:00 p.m., in the Chemical Amphitheater, on "Justus von Liebig." Both lectures will be illustrated. The public is invited to attend.

University Senate: There will be a meeting of the University Senate on Monday, November 10, at 4:15 p.m., in Room C of the Law Building.
Louis A. Hopkins, Secretary.

Seniors of the College of L. S. A.: A tentative list of February and June Seniors has been posted in Room 4 U. Hall. Each prospective senior is asked to check the spelling of his name since the name will appear on the diploma as it is printed on the list. Kindly report any omissions or changes to the assistant at the counter.

Students, Colleges of Engineering and Architecture: Saturday, November 8, 1930, will be the final day for dropping a course without record. Courses may be dropped only with the permission of the classifier after conference with the instructor in the course. However, in special cases, for good and valid reasons permission to drop a course may be given after this date.

University Women: Social Directors, Chaperons, and Housheads: Request for extension of time beyond the regular closing hours on Friday and Saturday nights must be made in the office of the Dean of Women. This not apply to overnight permission.

Girls wishing extension of time for the Union party on Friday, November 7, are asked to come to the office before 5 p.m. of that day.
Alice C. Lloyd, Dean of Women.

Dr. Margaret Bell will not be in her medical office on Wednesday, Thursday and probably Friday. Dr. Schutz will take charge of her cases. Dr. Bell will take care of consultation cases only on Saturday morning.

Senior Mechanical Engineers: Kindly indicate, on the list in the South Corridor, when you expect to graduate—February, June, or August. This is important.

Sigma Delta Psi: A group picture of all members and officers will appear in the Ensian this year. All candidates who wish to get in this picture must have passed all events by Dec. 1st. Report at the Intramural office at once.

Hygiene Lectures: Names of freshman and upperclass women who have missed one or more hygiene lectures have been posted in Barbour Gym. Will all those attending the lectures please check their attendance with these lists? Make-up assignments have also been posted.

EVENTS TODAY

All-Campus Open Forum: Dr. Frederick B. Fisher will speak on "Student Attitude Toward Religion" in Room D, Alumni Memorial Hall, 4:15 p.m.

Sociology 31, 111, 153: Prof. R. H. Holmes is unable to meet his sections today.

Mr. Bucthart's students conferring regularly on Friday afternoon will confer at the same hour Thursday afternoon of this week.

Geological and Geographical Journal Club: Dr. L. B. Kellum, will speak on the "Michigan Expedition to the San Carlos Mountains, Mexico" (illustrated), at 8:00 p.m., room 4056 N. S.

The Political Science Journal Club meets in 2035 A. H., 3:00-5:00 p.m.

There will be a meeting of the members of the program committee for the Junior Girls' Play at 3 o'clock today in the concourse at the League building.
Katherine Koch, chairman.

Seniors: All Seniors who desire to have their individual pictures in the Michiganensian must purchase a photographers' receipt at the Press building. Do this at once. The last day pictures can be taken is Dec. 15. There is always a rush the last week. This rush can be avoided by having them done now.

Prescott Club: All students enrolled in the College of Pharmacy are requested to meet in room 303 Chemistry Building at 4:30 this afternoon to elect officers for the Prescott Club for the ensuing year.

Engineering Council meets at 7:15 p.m., in room 308 Michigan Union. The new class representatives, class presidents, and the presidents of the various student branches should be present.

Radio: A meeting will be held at the Michigan Union to discuss the possibilities of forming an Ann Arbor-Ypsilanti Radio Club. We will assemble at 7:30 p.m. The room number will be announced on the bulletin board. There will be a short speech by a radio expert. Anyone interested in radio operating is cordially invited to attend.

Phi Epsilon Kappa: Important meeting of all active members at 7:00 p.m., room 304 Michigan Union.

Phi Sigma meets at 7:30 p.m. in room 1139 Natural Science Building. Dr. Paul B. Sears of the Botany Dept. of the University of Oklahoma, who is Chancellor of Phi Sigma, will give the address.

Pi Lambda Theta initiation 4:15 p.m., Michigan League Building.

Sigma Gamma Epsilon: Luncheon at 12:15, Michigan Union.

Presbyterian Students: There will be no Tea Dance today because of the church bazaar.

Negro-Caucasian Club: Mr. H. S. Dunbar, Executive Secretary of the Detroit Y.M.C.A., will speak at Lane Hall, 8:00 p.m. His subject will be: "What the Negro Wants" A general invitation is extended.

COMING EVENTS

Second Thomas Spencer Jerome Lecture, "The Life of the People in Town and Country, Part One," by Professor J. G. Winter, Tuesday, November 11, at 4:15 p.m., Room D, Alumni Memorial Hall.

University Lecture: Friday, November 7, 4:15 p.m., Lydia Mendelssohn Theater. M. Etienne Gilson, Professor of Medieval Philosophy in the University of Paris: "The Thirteenth Century Oxford School" (given in English).

Children's rhythm classes will be held in Barbour Gymnasium every Saturday morning. Children from 5 to 8 years will meet at 10 o'clock and those from 8 to 12 at 11 o'clock. Miss Emily White will conduct these classes.

Fraternities: The regular meeting of the Interfraternity council, scheduled for next Monday, will be postponed until one week from Monday in order to make possible the presentation of a deferred rushing plan at that meeting.

Tolstoy Anniversary: Monday, Nov. 10, Dr. F. S. Onderdonk will give an illustrated lecture on H. G. Wells and L. N. Tolstoy at 4:15 in Room 231, Angell Hall.

Illinois Hillel Leader to Speak Here Sunday

Dr. Abram L. Sachar, director of the Hillel foundation of the University of Illinois, will speak at the second services to be held at 11:00 o'clock Sunday in the chapel of the Women's League.

Dr. Sachar's topic will be "The Romance of History," a subject on which he is considered an authority of national importance. His one volume, "History of the Jews," published last spring received acclaim from University scholars, and was a best seller in some parts of the country.

His last appearance in Ann Arbor was as principal speaker at the Committee banquet last May. Previous to accepting the directorship of the Illinois foundation in 1927, he was an associate in the history department of that University. He is now a recognized professor of history at Illinois. He has frequently contributed to periodicals dealing with historical subjects.

NOISE ELIMINATED IN 'ALL-QUIET HOUSE', ERECTED FOR EXPOSITION

Materials Used in Construction Resists External, Absorb Internal Sounds.

(By Associated Press)

LONDON, Nov. 5.—Noise has been eliminated in a "silent house" constructed for a building exposition.

In the construction the materials used had to fulfill two purposes: to resist external sounds and to absorb internal noises.

Plywood, millboard, perforated zinc fiber-board, hollow bricks and pumice are among the materials used. The floors, as well as the ceilings and the walls, have been built to insulate the rooms against sound. Special attention has been paid too, to the problem of climate conditions, so that the heat is kept out in summer and the cold in winter.

Visitors may climb on the roof and hammer on top of the kitchen, but no sound will be heard within. In a delightful nursery, with its floor specially colored to amuse children, the young people will be able to shout and romp to their heart's content, while the lightest-sleeping of persons is enjoying an after-luncheon nap in the adjoining room.
