Champs Decided in I-M Spectacular

Sigma Phi Epsilon Downs Alpha Tau Omega, 55-43

By GARY WINER

Sigma Phi Epsilon almost made it a complete rout in Social Fraternity "A" basketball finals last night, by defeating Alpha Tau Omega, 55-43.

Dennis Sedlak of SPE led all scorers with 18 points while teammate Jack Rashbash chipped in 17. Dave Muldrew and Harvey Chapman led the losers with 12 and 11 markers, respectively.

Superior rebounding by the Big Ep quintet, seasonally by Dave Liddle, made the difference. On more than one occasion the winners had two or three men all alone under the boards fighting for the ball among themselves as the ATO squad could only watch helplessly.

Sigma Phi jumped to a quick 4-2 lead on Sedlak's by Bob Grosse and Sedlak. ATO's Bob Hunt knotted the score at 4-4 and then an exchange of baskets made it 6-6. Rashbash then dumped in the first of his total and SPE never trailed after that.

Playing under a handicap of having only five players in uniform, ATO exhibited a weak offense in the first half as the fast-breaking Big Ep squad took advantage of the situation.

With the score 19-8, ATO rebelled to a zone defense, but SPE greeted the change with a fast barrage of baskets to make the score 19-10 at the quarter.

The second quarter was merely a repeat of the first as the ATO basket seemed to have a lid on it. Muldrew pumped in ten points by the half, but the eventual losers found themselves trailing by a 31-19 count at intermission.

ATO trailed by as much as 20 points three times in the third quarter. With the score 41-21 late in this period, they finally began to find the range.

Chapman, who had been unable to score in the first half, hit on some of his long outside jumpers as ATO closed the gap to 45-37 as the contest entered the final period.

Sigma Phi Epsilon, however, failed to buckle under the continued furor by ATO in the fourth quarter and walked away with the "A" title. SPE's coach, Doug Herner, cleared his bench with two minutes remaining.

Dodgers Dodge Sports

In the independent basketball title contest last night, the Draft Dodgers outlasted the Sportsmen, 47-38.

John Wiley, Dave Kroll and Pete Patterson led the winners with 13, 11 and 11 points respectively as the Dodgers lengthened their 20-19 halftime lead. The Sportsmen's John Jones paced the field with 16 tallies for the evening.

SAE WINS 'B':

Huber Wins Crowns In 'A', 'B' Basketball

By MARK BENDER

Huber House captured the Residence Hall "B" basketball championship last night in a fast-moving battle with Reeves House by a 36-29 tally.

Superior speed and capable ballhandling allowed the Huber five to overcome the taller Reeves men whose average height is 6'3".

The losers started off in fine fashion, drawing first blood and extending their lead to six points by the middle of the first quarter. Their early flourish soon faltered, however, as the speedy Huber team began to click. By the end of the hectic first quarter, Huber had made up its deficit and gone on to lead 14-11.

Stretch Lead

The victors continued to play a fine game, capitalizing on several Reeves errors and stretching their lead to 28-19 by the beginning of the final quarter. The game appeared all but sewn-up when the underdogs, led by sharpshooting Bill Dornbos and John Bollick, began rapidly closing the gap.

Huber Takes 'A'

Huber House had a battle on its hands for half a game, but put on a surge in the second-half and swept to a 66-46 victory over Kelsey House to win the Residence Hall "A" basketball championship.

It was the second victory of the night for Huber House. The "B" defeated Reeves house for the crown earlier in the evening.

Jack Clancy was the high scorer for the victorious Hubers, dumping in 16 points. His effort was eclipsed, however, by Pat McCleer of Kelsey. McCleer finished with 19 for the night.

SAE Dumps DU

In the finals of the Fraternity "B" basketball tournament, Delta Upsilon failed to defend its last year's championship, bowing before a powerful Sigma Alpha Epsilon five 37-17.

It was a one-sided affair from the start as DU suffered continuously from loose ball handling and haphazard shooting. This factor, plus the superior speed and height of its opponent, created a hopeless situation for Delta Upsilon.

Although outclassed, the losers fought fiercely, producing a rough and tumble contest in which both teams emphasized the defensive. The result was a game low in scoring (only three points were scored in the third quarter) but rich in excitement.

Sigma Chi, Williams Sweep Swimming Championships

By PERRY HOOD

A total of eight records were shattered last night as Sigma Chi and Williams House swept to victories in their respective divisions in the I-M swimmin gchampionships.

In the residence hall division, Williams' 200-yd. medley relay team of Fred Jarden, Robert Gross, Doug Westerkamp, and Ron Bastian set a new I-M record of 1:56.6. A new 200-yd. free-style record was set by Tom Mack of Van Tyne with a time of 2:15.2 Mack also set a new record of 24.3 in the 50-yd. freestyle event. Van Tyne scored another record in the 50-yd. backstroke with Dave Wilber turning in a time of 29.7. Fred Barish of Hinsdale set a record of 26.8 in the 50-yd. butterfly.

Point-wise, Williams cleaned up with 61, followed by Van Tyne with 46, Hinsdale 37, Adams 23, and Wenley 14 for fifth place.

ATO Record

Alpha Tau Omega's 200-yd. freestyle relay team swept to a new record of 1:42.9 in the fraternity division. Angie Delves of ATO set a new mark of 2:10.8 in the 200-yd. freestyle event, and Bob Shaefer of Phi Gamma Delta set a record of 26.2 seconds in the 50-yd. butterfly.

Sigma Chi won the meet and title for the second year in a row with a score of 39 points. Alpha Tau Omega was second with 21, followed by Sigma Alpha Epsilon with 20, Phi Gamma Delta and Alpha Delta Psi tied for fourth with 25 each, and Beta Theta Pi was fifth with 20.

Earlier, in the residence hall diving competition, Carl Cvach of Anderson turned in a first for his house with a point total of 135.1. Second place was tied down by teammate Rodger Winn with 115.7 points. Adams house had a close third in Alan Adashnik with 111.5, while Williams chalked up fourth with James Lawrence's 100.9. Hinsdale finished fifth, followed by Allen-Rumsey.

More Spectacular

The fraternity division saw much more spectacular diving skill in the person of Tom Osterland of Sigma Alpha Epsilon. Osterland tallied a remarkable 216.5 points in winning the title. Mark Roseman of Sigma Alpha Mu was no competition, but copped second with 184.6 points, trailed by Jack Forsater of Zeta Psi with 19.2.

Between the residence hall and fraternity swimming meets a diving exhibition was presented by members of the varsity diving team. The exhibition included a session of clown antics, in addition to the team's usual fine performance on the one-meter board.

The last event of the evening in the pool was the residence hall water polo title match, in which Williams house again chalked up a championship, whipping Stramm house 7-4.

PRO SPORTS:

Keon's Clutch Goal Gives Leafs First

By The Associated Press

TORONTO—Dave Keon scored his second goal of the game with 4 seconds to go last night to give the Toronto Maple Leafs a 3-3 tie with Montreal and their first National Hockey League championship in 15 years.

With Toronto goaltender Don Simmons out of the net in the last minute of play, and some fans on their way out of the rink, the pint-sized center beat Montreal netminder Jacques Plante from a scramble.

Only seconds before the Canadiens' Dickie Moore had missed scoring by inches, his shot hitting the side of the vacant goal.

The tie brought Toronto's point total to 62, four more than Chicago and Montreal, tied for second, and each with two games to go.

While either of the contenders possibly could match the Leafs' total points, they cannot catch Toronto in total victories, thus clinching the title for Toronto and breaking Montreal's five-year string.

In other NHL action, the New York Rangers, led by Andy Bathgate's three assists, beat the Boston Bruins, 5-1. The three points moved Bathgate to within three points of league leading Gordie Howe.

Hawks Take One

ST. LOUIS — The St. Louis Hawks dug themselves out of an early 16-point hole and defeated the Detroit Pistons 118-99 in the opener of the National Basketball Association's Western Division semifinal playoff series last night.

The second game of the best-of-5 set will be played in St. Louis Friday night.

Oklahoma Challenges Rival Oklahoma State

By The Associated Press

KENT, Ohio — Three defending champions, a former title-holder, seven runners-up and four third-place finishers highlight the glittering field in the 33rd annual NCAA Wrestling Championships starting today.

Oklahoma State shoots for its third straight title and eighth crown in 10 years. Only its arch-rival, Oklahoma, has broken the Cowboys' grip in the last decade. The Sooners won in 1957 and 1959.

Oklahoma has two of the defending titlists, Mickey Martin at 130 lbs. and Wayne Baughman at 191. Army's Mike Natpil holds the 147-lb. crown.

Entries from last week's national college division championship pushed the starting field to 247 wrestlers from 62 schools. This is the first time the top four winners in the small college class have advanced into the showcase tournament.

Only Cox Represents 'M' in Meet

NEW HAVEN, Conn. (AP) — Minnesota's Steve Jackman and Indiana's Chet Jastremski lowered American records last night to successfully defending their National A.A.U. men's indoor swimming titles.

The only Michigan tanker to reach the finals was diver Pete Cox.

The 21-year-old Jastremski and Dick McGeagh, a Southern California freshman, hit the finish line in the 200-yd. individual medley as though they were twins.

Each was timed in 1:54.5, but the judges ruled Jastremski the winner. He broke his own mark of 1:58.4 set last year.

Three-Foot Win

Jackman, the Big Ten champ and a 21-year-old senior from Rochester, Minn., beat Yale's Gene Clark by about three feet in the 100-yd. freestyle. His time of :48.8 shattered Clark's :48.8 mated two years ago.

The record smashing show in Yale's 25-yd. pool got the longdistance meet off exactly the way experts had predicted.

THE RIGHT SUIT
"Versatile 300"

Natural Shoulder Coat, Plain Front Trousers

Derives its name because it is versatile enough to be worn 300 days a year.

For years, men have searched for a suit like this. It was never possible with wool alone.

With the advent of Dacron (DuPont polyester fiber), Abbott of New England developed the perfect blend of 55% Dacron and 45% fine worsted wool. Result: a fabric with tropical weight comfort, but with all season appearance.

Redwood & Ross, with an ear toned to the times, meticulously directing the manufacturer, confidently presents "Versatile 300" as THE RIGHT SUIT, for Spring, Summer and early Fall.

Traditional shades in plains and plaids. No point of quality has been sacrificed in bringing you this fine Suit at the outstanding price of

52.00
